Dear Superintendent Michael Greenlee,

Please accept this letter as my formal resignation from position as a Special Education Teacher at North Boone High School and for the North Boone County School District 200 to become effective as of today, April 25, 2017, my last day of employment. I'd like to take this opportunity to thank the school and the district for allowing me to submit my formal resignation. I leave with no animosity or ill will, and wish you and North Boone High School continued success. My decision is irrevocable and any counteroffers extended by you and/or the school district will be professionally rejected.

Sincerely,
