

ATTACHMENT NO. X-B

ATTACHMENT NO. X-B: Bus Purchases / Leasing

Potential motion: Table bus purchases/leasing until dealerships have more stock available.

Recommended action: Table the bus purchases/leasing

Three quotes were obtained from dealerships to purchase/lease 10 buses. After reviewing the quotes it was determined that none of the quotes meet the criteria that is preferred by the district. It is recommended to wait until the dealerships know what leases are coming back and obtain quotes at that time. Typically the dealerships will know the available buses in the winter months for delivery in the spring.

Midwest Transit Equipment, Inc.
146 W. Issert Drive • P.O. Box 582
Kankakee, IL 60901
(800) 933-2412

September 18, 2018

North Boone School District 200
Ms. Melissa Geyman
6248 North Boone School Road
Poplar Grove, IL 61065

Ms. Geyman,

Thank you for allowing Midwest Transit the opportunity to furnish this quote on your school bus equipment needs. We are quoting three groups of buses for your consideration.

Buses are stock subject to prior sale unless secured through Midwest Transit. Delivery would be approximately 2 weeks after acceptance and finance/lease documents are completed.

Prices include lettering, test lane, original license and title fees, and delivery.

Cash Purchase Option

Sales price less trade in allowance. Payment on delivery.

Finance to Own Option

First payment due on delivery, annual payments, school to own after final payment. Trade in allowances would be deducted from first payment or MWT could provide check for the trades and District pays first full payment.

Municipal Lease Option

First payment due on delivery, annual payments, school to return the buses to Midwest after lease term. Lease based on 14,000 annual miles. District would agree to the "Acceptance Guidelines for Return of Leased Vehicles". Trade in allowances would be deducted from first payment or MWT could provide check for the trades and District pays full first payment.

Note: Lease term to begin in October and end in June.

District has the option to select buses from each group and different payment plans to meet your needs.

District has the option to purchase the buses after the lease term with 8 month notice to Midwest.

Quote A

Ten (10) "One Year Old" 2018 IC 71 passenger buses per specification U18-202. Ten (10) units are available in this group.

Cash Plan: \$76,079.00 per bus.

Finance Plans:

3 Year Plan, annual payment per bus: \$26,311.00.

5 Year Plan, annual payment per bus: \$16,432.00.

Municipal Lease Plans:

1 year/8 month plan. Delivery October 2018-return June 2020.
Annual Payment per bus: \$13,988.00

2 year/8 month plan. Delivery October 2018-return June 2021.
Annual Payment per bus: \$12,793.00

3 year/8 month plan. Delivery October 2018-return June 2022.
Annual Payment per bus: \$11,939.00

Quote B

Ten (10) "One Year Old" 2018 IC 72 passenger buses per specification U18-207. Eight (8) units are available in this group.

Cash Plan: \$76,079.00 per bus.

Finance Plans:

3 Year Plan, annual payment per bus: \$26,311.00.

5 Year Plan, annual payment per bus: \$16,432.00.

Municipal Lease Plans:

1 year/8 month plan. Delivery October 2018-return June 2020.
Annual Payment per bus: \$13,988.00

2 year/8 month plan. Delivery October 2018-return June 2021.
Annual Payment per bus: \$12,793.00

3 year/8 month plan. Delivery October 2018-return June 2022.
Annual Payment per bus: \$11,939.00

Quote C

Ten (10) "Two Year Old" 2017 IC 72 passenger buses per specification U18-230. Ten (10) units are available in this group.

Cash Plan: \$68,579.00 per bus.

Finance Plans:

3 Year Plan, annual payment per bus: \$23,718.00.

5 Year Plan, annual payment per bus: \$14,813.00.

Municipal Lease Plans:

1 year/8 month plan. Delivery October 2018-return June 2020.
Annual Payment per bus: \$13,332.00

2 year/8 month plan. Delivery October 2018-return June 2021.
Annual Payment per bus: \$12,214.00

3 year/8 month plan. Delivery October 2018-return June 2022.
Annual Payment per bus: \$11,384.00

Trade In Allowances

Bus #31-	2004 Blue Bird FE,	78 pass,	108K miles:	\$ 1,200.00.
Bus #40-	2006 IC Conventional,	71 pass,	105K miles:	\$ 1,600.00.
Bus #39-	2006 IC Conventional,	71 pass,	110K miles:	\$ 1,600.00.
Bus #41-	2006 IC Conventional,	71 pass,	126K miles:	\$ 1,400.00.
Bus #44-	2007 IC Conventional,	77 pass,	113K miles:	\$ 2,200.00.
Bus #46-	2007 IC Conventional,	77 pass,	124K miles:	\$ 2,200.00.
Bus #52-	2008 IC Conventional,	71 pass,	103K miles:	\$ 3,200.00.
Bus #49-	2008 IC Conventional,	71 pass,	91K miles:	\$ 3,200.00.
Bus #50-	2008 IC Conventional,	71 pass,	86K miles:	\$ 3,200.00.
Bus #51-	2008 IC Conventional,	71 pass,	91K miles:	\$ 3,200.00.
Total trade in allowance:				\$23,000.00.

All trades must be drivable and arrive in Kankakee, IL without issues. District would be responsible for the cost for towing if a breakdown occurs.

District has the option to drive trades to Kankakee, IL and pick up the new buses. Midwest would pay the Districts drivers an agreed upon price.

Standard and Extended Warranties

Attached are the standard warranties from IC and Cummins Engine. Warranty started on the original delivery date to the first user. All pricing includes a Midwest Transit Tow Warranty up to \$275.00 per incident.

Quote A

In addition to the standard warranty, these extended warranties are included:

- 1) Warranty started 6/2/2017.
- 2) Allison Transmission warranty ends 6/2/2023.
- 3) Extended chassis and body warranty ends 6/2/2020.
- 4) Extended brake system warranty ends 6/2/2027.

Quote B

In addition to the standard warranty, these extended warranties are included:

- 1) Warranty started 8/2/2017.
- 2) Allison Transmission warranty ends 6/2/2023.
- 3) Extended chassis and body warranty ends 6/2/2020.
- 4) Extended brake system warranty ends 6/2/2027.

Quote C

In addition to the standard warranty, these extended warranties are included:

- 1) Warranty started 8/1/2016.
- 2) Allison Transmission warranty ends 8/1/2021.
- 3) Extended chassis and body warranty ends 8/1/2019.

Extended Warranties Available

Note: Quotes A and B have an extended warranty included until June 2020 already.

IC chassis and body warranty per the attachment.
2 years starting on delivery. (Delivery Oct 2018 with lease ending June 20, 2020).

Cash Option: \$1,400.00 per bus.
Lease Option: \$ 660.00 per bus added to the lease price.

IC chassis and body warranty per the attachment.
3 years starting on delivery. (Delivery Oct 2018 with lease ending June 20, 2021).

Cash Option: \$1,890.00 per bus.
Lease Option: \$ 619.00 per bus added to the lease price.

IC chassis and body warranty per the attachment.
4 years starting on delivery. (Delivery Oct 2018 with lease ending June 20, 2022).

Cash Option: \$2,180.00 per bus.
Lease Option: \$ 548.00 per bus added to the lease price.

IC chassis and body warranty per the attachment.
5 years starting on delivery. This option if you own or finance for 5 years.

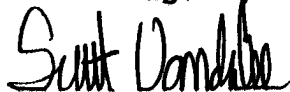

Cash Option: \$3,160.00 per bus.
Lease Option: \$ 661.00 per bus added to the finance price.

Price does not include the removal or reinstallation of the
Espar heaters or 2 way radios. Contact RadiLink for pricing.

Credit cards will not be accepted for payments for new or used
buses including purchases and/or financing.

Thank you again for this opportunity. I can be reached in the
office at (800) 933-2412 ext 1476, cell (219) 688-7527, or email
at scott.vanderlee@midwesttransit.com.

Thanks again,

NORTH BOONE SCHOOL DISTRICT 200

LEASE PROPOSAL INFORMATION

Midwest Transit is engaged in the business of buying, selling, and servicing buses, not leasing them.

Midwest Transit has, however, established a relationship with a respected independent leasing company to offer customers who wish to lease buses a convenient and reasonably-priced means of doing so.

Accordingly, if you elect to lease buses as contemplated by this Proposal, the leasing company will purchase the buses from Midwest Transit for lease to you, and Midwest Transit will provide you with all warranty and maintenance services.

Credit cards will not be accepted for payments for new or used buses including purchases, financing, or leases.

Scott Vanderlee
Sales Manager-School Bus
Midwest Transit Equipment, Inc.

ACCEPTANCE GUIDELINES FOR RETURN OF LEASED OR BUYBACK VEHICLES

LEASE-END:

MIDWEST TRANSIT WANTS TO MAKE SURE THAT YOUR END-OF-LEASE EXPERIENCE IS AS CONVENIENT AND HASSLE FREE AS POSSIBLE. TO HELP YOU THROUGH OUR LEASING PROCESS WE HAVE CREATED SOME BASIC GUIDELINES FOR YOU TO FOLLOW.

PREVENTION OF WEAR AND USE:

ALWAYS ABIDE BY AND STAY IN ACCORDANCE TO THE MANUFACTURER'S RECOMMENDATIONS. TO MAINTAIN YOUR VEHICLE AND KEEP IT IN GOOD CONDITION:

- CHANGE THE OIL AND OIL FILTER REGULARLY BASED ON MILEAGE AND HOURLY REQUIREMENTS
- ROTATE TIRES AND MAINTAIN TIRE PRESSURE
- INSPECT AND REPLACE BELTS AND HOSES
- MAINTAIN FLUID LEVELS
- WASH BUS THOROUGHLY UNDERNEATH, ESPECIALLY AREAS WHERE SALT IS SPREAD FROM MELTING OF SNOW AND ICE

MILEAGE LIMIT:

IF YOU SURPASS THE MILEAGE ALLOWANCE FOR YOUR LEASE TERM, YOU WILL BE SUBJECT TO A PREDETERMINED MILEAGE FEE AS OUTLINED IN THESE GUIDELINES.

WEAR AND TEAR GUIDELINES:

AS YOU NEAR THE END OF YOUR LEASE, IT'S IMPORTANT THAT YOU UNDERSTAND THE RESPONSIBILITIES FOR YOUR VEHICLE MAINTENANCE AND REPAIR USE. THE FOLLOWING GUIDELINES SHOULD BE USED TO APPRAISE THE CONDITION OF YOUR VEHICLE. ANY VEHICLE RETURNED WITH "NORMAL WEAR AND TEAR" WILL BE ACCEPTABLE.

NOTE:

LESSEE WILL RETURN THE BUSES TO THE DISTRIBUTOR WHO FURNISHED THE BUSES TO LESSEE ON THE INSTRUCTIONS OF LESSOR. ALL THE EQUIPMENT AND ACCESSORIES ORIGINALLY FURNISHED WITH THE BUSES WILL BE IN PLACE AND IN GOOD OPERATING CONDITION. IF THE LESSOR/DISTRIBUTOR HAS TO PERFORM REPAIRS FOR THE FOLLOWING DEFECTS, THE LESSEE WILL BE RESPONSIBLE FOR PAYMENT AT THE TIME OF INVOICE.

"NORMAL WEAR AND TEAR" WILL NOT INCLUDE:

- MISMATCHED (SIZES OR TYPES) TIRES WITH LESS THAN FORTY PERCENT (40%) OF TREAD REMAINING
- TIRES WHICH ARE RE-CAPPED, DAMAGED, GOUGED, CUT OR DETERMINED BY DISTRIBUTOR TO BE IN AN UNSAFE OPERATING CONDITION
- BRAKE SHOES AND PADS MUST HAVE BEEN REPLACED WITHIN 15,000 MILES OF WHEN EACH BUS IS RETURNED TO THE LESSOR
- BODY CREASED, GOUGES, DENTS, OR NON-BUFFABLE PAINT SCRATCHES OR SCUFFS. EXCESSIVE BODY DIMPLES AND/OR DINGS REQUIRING METAL AND/OR PAINT WORK TO RESTORE TO ACCEPTABLE "NORMAL" CONDITION
- ANY PAINT DAMAGE DUE TO SANDBLASTING, HAIL, ROAD TAR, TREE SCRAPES, AND/OR CHEMICAL FALLOUT
- ANY DEFECTIVE PAINT OR BODY REPAIRS DUE TO SUB-STANDARD REPAIRS, MUST BE ORIGINAL EQUIPMENT MANUFACTURER (OEM) PARTS
- ANY LESSEE APPLIED PAINT OF IDENTIFICATION WHICH CANNOT BE REMOVED WITHOUT METAL AND/OR PAINT WORK
- ANY DAMAGE TO INTERIOR LINING, BULKHEADS, SCUFF PLATES, LIGHTS, ROOF BOWS OR

SUPPORTS, INCLUDING BUT NOT LIMITED TO CRACKS, BREAKS, TEARS, GOUGES, OR ANY OTHER DAMAGE WHICH MAKES VEHICLE UNABLE TO PASS ANY STATE OR LOCAL SAFETY INSPECTION

- BROKEN AND/OR INOPERATIVE FRONT, REAR, OR SIDE LIGHT(S), MARKER(S), OR REFLECTOR(S)
- BENT, TWISTED, DENTED, DINGED, OR GOUGED BUMPER(S) AND/OR DOOR(S)
- ANY HOLES OR OTHER MODIFICATIONS MADE TO THE VEHICLE, WHETHER INTERIOR OR EXTERIOR, FOR THE INSTALLATION OF ANY ADDITIONAL EQUIPMENT BY THE LESSEE AND/OR DRIVER(S) OF THE VEHICLE WHICH ARE NOT COMPLETELY REMOVED AND/OR REPAIRED
- ANY MECHANICAL REPAIRS ON ANY COMPONENTS OR SUSPENSION WHICH MAY BE REQUIRED DUE TO ABUSE, ACCIDENT, NEGLIGENCE, OR THE LACK OF PROPER MAINTENANCE, OR ANY REPAIRS REQUIRED WHICH ARE NOT CONSIDERED "NORMAL WEAR AND TEAR"
- EACH BUS MUST HAVE A CURRENT STATE INSPECTION STICKER WITH AN EXPIRATION DATE AT LEAST THREE MONTHS FOLLOWING THE MONTH IN WHICH THE BUS IS RETURNED TO LESSOR. EACH BUS MUST BE CLEAR OF MECHANICS' AND OTHER LIENS
- TORN, PUNCTURED, BURNED, VANDALIZED OR OTHERWISE DAMAGED UPHOLSTERY WILL BE REPLACED PRIOR TO RETURNING THE BUS TO THE LESSOR/DISTRIBUTOR
- WINDSHIELD CRACKS OR STARS MORE THAN ¼" DIAMETER OR ANY CRACKS OR STARS WITHIN THE SWEEP OF THE WINDSHIELD WIPERS
- BUS IS TO BE CLEANED INSIDE AND OUT, FLOORS FREE FROM GUM, TAR, AND GARBAGE. EXTERIOR SHALL BE CLEAN
- FLOORS TO BE FREE FROM ALL SPORTS SHOE SPIKE DAMAGE OR STAINS FROM SPILLS OF LIQUIDS
- MILEAGE ALLOWANCE ANNUALLY = 14,000 . \$.35 PER MILE WILL BE ASSESSED TO THE LESSEE IF MILEAGE OVER THE ALLOWABLE AMOUNT, DUE UPON RECEIPT OF INVOICE
- SOVEREIGN LEASING HAS ASSIGNED MIDWEST TRANSIT EQUIPMENT AS ITS AGENT FOR THE INSPECTION OF THESE BUSES UPON RETURN

Cummins Warranty

All Engines
United States And Canada
School Bus

Coverage

Products Warranted

This Warranty applies to new diesel, LPG, compressed or liquid natural gas fueled Engines sold by Cummins Inc. or Cummins Westport and delivered to the first user on or after September 15, 1996, that are used in school bus* applications in the United States** or Canada.

Base Engine Warranty

The Base Engine Warranty covers any failures of the Engine which result, under normal use and service, from a defect in material or factory workmanship (Warrantable Failure). This Coverage begins with the sale of the Engine by Cummins and continues for five years or 100,000 miles (160,935 kilometers), whichever occurs first, from the date of delivery of the Engine to the first user.

Engine aftertreatment components included in the Cummins Critical Parts List (CPL) and marked with a Cummins part number are covered under Base Engine Warranty.

Extended Major Components Warranty

The Extended Major Components Warranty applies to all except ISV, ISB6.7 G, B and ISB Series Engines and covers Warrantable Failures of the Engine cylinder block, camshaft, crankshaft and connecting rods (Covered Parts).

Bushing and bearing failures are not covered.

This Coverage begins with the expiration of the Base Engine Warranty and ends three years or 300,000 miles (482,804 kilometers), whichever occurs first, from the date of delivery of the Engine to the first user.

Emission Warranty

Additional Coverage is outlined under the Emission Warranty.

THESE WARRANTIES ARE MADE TO ALL OWNERS IN THE CHAIN OF DISTRIBUTION AND COVERAGE CONTINUES TO ALL SUBSEQUENT OWNERS UNTIL THE END OF THE PERIODS OF COVERAGE.

Cummins Responsibilities

During The Base Engine Warranty

Cummins will pay for all parts and labor needed to repair the damage to the Engine resulting from a Warrantable Failure.

Cummins will pay for the lubricating oil, antifreeze, filter elements, belts, hoses and other maintenance items that are not reusable due to the Warrantable Failure.

Cummins will pay for reasonable labor costs for Engine removal and reinstallation when necessary to repair a Warrantable Failure.

Cummins will pay reasonable costs for towing a vehicle disabled by a Warrantable Failure to the nearest

authorized repair location when necessary to make the repair for the first 2 years from the date of delivery of the Engine to the first user. In lieu of towing expenses, Cummins will pay reasonable costs for mechanics to travel to and from the location of the vehicle, including meals, mileage and lodging, when the repair is performed at the site of the failure.

During The Extended Major Components Warranty

Cummins will pay for the repair or, at its option, replacement of the defective Covered Part and any Covered Part damaged by a Warrantable Failure of the defective Covered Part.

Owner Responsibilities

During The Base Engine Warranty

Owner is responsible for the cost of lubricating oil, antifreeze, filter elements and other maintenance items provided during Warranty repairs unless such items are not reusable due to the Warrantable Failure.

During The Extended Major Components Warranty

Owner is responsible for the cost of all labor needed to repair the Engine, including the labor to remove and reinstall the Engine. When Cummins elects to repair a part instead of replacing it, Owner is not responsible for the labor needed to repair the part.

Owner is responsible for the cost of all parts required for the repair except for the defective Covered Part and any Covered Part damaged by a Warrantable Failure of the defective Covered Part.

Owner is responsible for the cost of lubricating oil, antifreeze, filter elements and other maintenance items replaced during the repair.

During The Base Engine And Extended Major Components Warranties

Owner is responsible for the operation and maintenance of the Engine as specified in the applicable Cummins Operation and Maintenance Manual. Owner is also responsible for providing proof that all recommended maintenance has been performed.

Before the expiration of the applicable Warranty, Owner must notify a Cummins distributor, authorized dealer or other repair location approved by Cummins of any Warrantable Failure and make the Engine available for repair by such facility. Except for Engines disabled by a Warrantable Failure during the first two years from the date of delivery of the Engine to the first user, Owner must also deliver the Engine to the repair facility.

Service locations are listed on the Cummins Worldwide Service Locator at cummins.com.

Owner is responsible for communication expenses, meals, lodging and similar costs incurred as a result of a Warrantable Failure.

Owner is responsible for non-Engine repairs and for "downtime" expenses, passenger delays, fines, all applicable taxes, all business costs and other losses resulting from a Warrantable Failure.

Limitations

Engines with an emissions certification listed below must be operated using only diesel fuel having no more than the corresponding maximum sulfur content. Failure to use the specified fuel as listed in the Cummins Fuel Bulletin #3379001 Table 1 (Cummins Inc. Required Diesel Fuel Specifications) can damage the Engine and aftertreatment system within a short period of time. This damage could cause the Engine to become inoperable and failures attributable to the use of incorrect fuels will be denied Warranty Coverage. Fuel specifications also need to comply with local fuel regulations (EN590 for Europe and ASTM D975 for North America) for Warranty eligibility.

Maximum sulfur levels by emissions certification level as listed on the Engine's dataplate are:

EPA 2007/2010/2013/2017	max. 15 parts per million
EPA Tier 4 Interim / Final	max. 15 parts per million
EU Stage IIIB 2011	max. 15 parts per million
Euro 4/5	max. 50 parts per million
Euro 6	max. 10 parts per million

Cummins is not responsible for failures or damage resulting from what Cummins determines to be abuse or neglect, including, but not limited to: operation without adequate coolants or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, cooling or intake systems; improper storage, starting, warm-up, run-in or shutdown practices; unauthorized modifications of the Engine.

Any unauthorized modifications to the aftertreatment system could negatively effect emissions certification and void the Warranty.

Cummins is also not responsible for failures caused by incorrect oil, fuel or diesel exhaust fluid or by water, dirt or other contaminants in the fuel, oil or diesel exhaust fluid.

Alternators and starters are covered for the first two years from the date of delivery of the Engine to the first user, or the expiration of the Base Engine Warranty, whichever occurs first.

Excessive oil consumption for ISV and B Series Engines is covered for the duration of the Coverage. Before a claim for excessive oil consumption will be considered, Owner must submit adequate documentation to show that consumption exceeds Cummins published standards.

Failures of belts and hoses supplied by Cummins are not covered beyond the first year from the date of delivery of the Engine to the first user or the expiration of the applicable Base Engine Warranty, whichever occurs first.

Parts used to repair a Warrantable Failure may be new Cummins parts, Cummins approved rebuilt parts or repaired parts. Cummins is not responsible for failures resulting from the use of parts not approved by Cummins.

A new Cummins or Cummins approved rebuilt part used to repair a Warrantable Failure assumes the identity of the part it replaced and is entitled to the remaining Coverage hereunder.

Cummins, Inc. reserves the right to interrogate Electronic Control Module (ECM) data for purposes of failure analysis.

CUMMINS DOES NOT COVER WEAR OR WEAROUT OF COVERED PARTS.

CUMMINS IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

THESE WARRANTIES AND THE EMISSION WARRANTY SET FORTH HEREINAFTER ARE THE SOLE WARRANTIES MADE BY CUMMINS IN REGARD TO THESE ENGINES. CUMMINS MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OR OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Emission Warranty

Products Warranted

This Emission Warranty applies to new Engines marketed by Cummins that are used in the United States** or Canada in vehicles designed for transporting persons or property on a street or highway. This Warranty applies to Engines delivered to the ultimate purchaser on or after January 1, 1996.

Coverage

Cummins warrants to the ultimate purchaser and each subsequent purchaser that the Engine is designed, built and equipped so as to conform at the time of sale by Cummins with all U.S. federal emission regulations applicable at the time of manufacture and that it is free from defects in material or factory workmanship which would cause it not to meet these regulations within the longer of the following periods: (A) Five years or 100,000 miles (160,935 kilometers) of operation, whichever occurs first, as measured from the date of delivery of the Engine to the ultimate purchaser, or (B) The Base Engine Warranty.

If the vehicle in which the Engine is installed is registered in the state of California, a separate California Emission Warranty also applies.

Limitations

Engines with an emissions certification listed below must be operated using only diesel fuel having no more than the corresponding maximum sulfur content. Failure to use

the specified fuel as listed in the Cummins Fuel Bulletin #3379001 Table 1 (Cummins Inc. Required Diesel Fuel Specifications) can damage the engine and aftertreatment system within a short period of time. This damage could cause the engine to become inoperable and failures attributable to the use of incorrect fuels will be denied Warranty Coverage. Fuel specifications also need to comply with local fuel regulations (EN590 for Europe and ASTM D975 for North America) for Warranty eligibility.

Maximum sulfur levels by emissions certification level as listed on the Engine's dataplate are:

EPA 2007/2010/2013/2017	max. 15 parts per million
EPA Tier 4 Interim / Final	max. 15 parts per million
EU Stage IIIB 2011	max. 15 parts per million
Euro 4/5	max. 50 parts per million
Euro 6	max. 10 parts per million

Failures, other than those resulting from defects in material or factory workmanship, are not covered by this Warranty.

Cummins is not responsible for failures or damage resulting from what Cummins determines to be abuse or neglect, including, but not limited to: operation without adequate coolants or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, cooling or intake systems; improper storage, starting, warm-up, run-in or shutdown practices; unauthorized modifications of the Engine.

Any unauthorized modifications to the aftertreatment system could negatively effect emissions certification and void the Warranty.

Cummins is also not responsible for failures caused by incorrect oil, fuel or diesel exhaust fluid or by water, dirt or other contaminants in the fuel, oil or diesel exhaust fluid.

Cummins is not responsible for non-Engine repairs, "downtime" expenses, cargo damage, fines, all applicable taxes, all business costs or other losses resulting from a Warrantable Failure.

CUMMINS IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

* A vehicle used to transport students to and from school. Vehicle must be painted yellow, should have warning lights and the words 'SCHOOL BUS' written on the front and rear roof caps. The requirements pertaining to paint color, warning lights and 'SCHOOL BUS' inscription would not apply if the vehicle is exclusively used to transport students for school related activities and it is owned by a school district.

** United States includes American Samoa, the Commonwealth of Northern Mariana Islands, Guam, Puerto Rico and the U.S. Virgin Islands.

OBTAINING SERVICE

Return this vehicle to any IC Bus Dealer authorized to service this model vehicle and engine.

DISCLAIMER

NO WARRANTIES ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. THE COMPANY SPECIFICALLY DISCLAIMS WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. THE COMPANY FURTHER EXCLUDES LIABILITY FOR INCIDENTAL AND CONSEQUENTIAL DAMAGES, ON THE PART OF THE COMPANY OR SELLER. No person is authorized to give any other warranties or to assume any liabilities on the Company's behalf unless made or assumed in writing by the Company; and no other person is authorized to give any warranties or to assume any liabilities on the seller's behalf unless made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Any suit for breach of this Limited Warranty must be initiated within one year after breach. Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.

RECORD OF OWNERSHIP

Upon receipt of new vehicle by original owner, complete the following:

I have read this Warranty Brochure and fully understand the warranty coverage, and the limitations and exclusions. I acknowledge that I have received a copy of the Owner's Limited Warranty and I accept the terms described herein.

IMPORTANT: The information contained in this Warranty Policy explains the coverage provided on your new IC Bus™ brand vehicle. This policy should be kept in the vehicle for presentation to the Dealer when you request warranty services.

Any provisions of this Limited Warranty that are prohibited or not enforceable in any jurisdiction shall be, as to such jurisdiction, ineffective to the extent of such prohibition or non-enforceability without invalidating the remaining provisions hereof, and any such prohibition or non-enforceability in any jurisdiction shall not invalidate or render non-enforceable any such provisions in any other jurisdiction.

All claims under this Limited Warranty must be submitted in writing to an authorized IC Bus dealer within the warranty period as stated herein. If you have questions regarding this Limited Warranty, contact IC Bus, LLC dealer. To locate nearest dealer, visit the IC Bus website www.ICBus.com.

EFFECTIVE WITH VEHICLES BUILT MARCH 01, 2017 OR LATER

LIMITED WARRANTY FOR SCHOOL BUS MODELS

CE Series (PB105), RE Series (PB305), BE Series (PB405)

IC Bus, LLC warrants to the original purchaser (the "Purchaser") that IC Bus, LLC brand buses and component parts thereof are, at the time of purchase, free from defects in material and workmanship and will remain free from such defects under normal use after delivery to the Purchaser as provided herein. Warranty shall begin at the time of delivery unless otherwise approved by IC Bus, LLC. The delivery limitations as set forth herein shall run from the date of delivery to the Purchaser in the United States of America and Canada. The remedy available under this Limited Warranty is non-cumulative in nature and is limited to repair or replacement at IC Bus, LLC option of the bus or component parts thereof that are returned to locations approved by IC Bus, LLC transportation charges prepaid, and which IC Bus, LLC examination disclosed to its satisfaction to be defective. IC Bus, LLC, at its option, will repair or replace any part of this vehicle which proves defective in material and/or workmanship in normal use and service, with new or ReNEWed parts. Exceptions are listed below under *What Is Not Covered*.

This warranty is automatically transferred to subsequent owners at no charge. Visit your local IC Bus Dealer for name and address change information.

COMPONENT COVERAGE

The components described below are given additional warranty coverage of variable time periods and distance traveled limitations, as shown in the *Warranty Coverage Schedule*.

1. Frame Rails and Crossmembers
2. Body/Cowl Structure
 - Body Structure defined as the steel body frame (which includes the roof, metal floor, sides and front and rear sections only).
 - As to items not considered Body Structure include but are not limited to the following: doors, corner moldings, inner ABS panels, interior wall, plywood, floor covering, windows, and trim moldings.
3. The Body/Cowl is warranted against perforation due to corrosion, except for perforation caused by industrial chemicals and/or corrosion caused by use in a corrosive industrial environment.
4. Navistar Diesel Engine Coverage Includes: Navistar Diesel Engine block, cylinder heads, internally lubricated components fuel pump, high pressure pump, turbocharger, water pump, air compressor, injectors/nozzles; electronic engine modules, engine relays, engine sensors and regulators required for electronic engine operation, and certain aftertreatment components. Excluding: attaching accessories (e.g., fan clutch, alternator, starter, etc.), and externally mounted electrical and filtration systems.
5. Power Solutions International 8.8L Propane Engine Coverage Includes: Engine block, cylinder heads, internally lubricated components, water pump, air compressor, injectors/nozzles, fuel system components; electronic engine modules, engine relays, engine sensors and regulators required for electronic engine operation, exhaust catalyst. Excluding: attaching accessories (e.g., fan clutch, alternator, starter, etc.)
6. Spicer front & rear axles and propeller shaft, when used with Allison transmission; excluding brakes, wheel ends axle shafts, controls & attachments.

THE PROVISIONS HEREOF CONSTITUTE THE EXCLUSIVE AND COMPLETE WARRANTY BY IC BUS, LLC ON IC BUS™ BRAND BUSES AND COMPONENT PARTS THEREOF MANUFACTURED BY IT, OR APPROVED BUS BODY CONTRACT MANUFACTURERS AND IS IN LIEU OF ALL OTHER OBLIGATIONS OR LIABILITIES OF IC BUS, LLC WHETHER EXPRESS OR IMPLIED.

Note: The customer has 365 days and up to a maximum of 100,000 miles (160,000 km) from DTU (delivery to end user) to purchase an extended warranty on the unit. For extended warranty purchases between 181 and 365 days from DTU and <100,000 miles (160,000 km) an additional fee will be assessed. See your local IC Bus dealer for details.

WHAT IS NOT COVERED

AFTER THE FIRST 90 DAYS FROM DELIVERY TO USER (DTU):

- Correction of loose fasteners, squeaks, rattles and unusual noises.
- Towing (vehicles with non-engine failures only)
- Adjustments (e.g., headlights, brake/clutch adjustments, steering system adjustments, coolant levels, doors).

COMPONENTS / ITEMS:

- Warranted by their respective manufacturers (e.g., non Navistar brand engines, tires & tubes, Allison Transmissions, Hybrid electric, lubricants, etc.)
- Bodies, equipment and accessories installed by other than authorized IC Bus employees at IC Bus manufacturing plants.
- Front and rear axle alignment.
- Front & Rear axle coverage excludes brakes, wheel ends, axle shafts, controls & attachments.

REPAIRS:

- Maintenance-related items/repairs or those as a result of normal wear and tear, including tune-ups, brake/clutch lining, windshield wiper blades, tire balancing, lubrication and other similar procedures/parts required to keep vehicle in good working condition.
- To any part of the vehicle subjected to misuse, negligence, improper maintenance, improper operation, or which is the result of an accident.
- Fade, runs, mismatch or damage to paint, trim items, upholstery, chrome, polished surfaces, etc., resulting from environmental causes, improper polishes, cleaners or washing solutions, or chemical and industrial fallout.
- In which power train, propeller shaft and suspension sales guidelines (specifications) are not strictly adhered to by all owners and operators of this vehicle.

OTHER:

- Vehicles sold and/or operated outside the United States and Canada.
- Vehicles/components that have had unauthorized alterations or modifications.
- Vehicles on which the odometer reading has been altered.
- Loss of time or use of the vehicle, loss of profits, inconvenience, or other consequential or incidental damages or expenses.
- Replacement of defective parts with parts other than those provided by IC Bus, LLC.

This warranty does not apply, or include coverage for defects attributable to the following:

- Damage resulting from: (i) misuse, abuse, accident, neglect, negligence, vandalism, fire, riot, war, or Acts of God;
- (ii) Structural or other modifications or alteration without prior express written authorization by IC Bus, LLC; (iii) Repair or attempted repair by unauthorized persons; (iv) Replacement of original components with substitutes without prior express written authorization by IC Bus, LLC; (v) Failure to perform routine preventative maintenance as customarily accepted within the industry or failure to provide proof of such preventative maintenance having been performed; (vi) Exposure to corrosives, contaminants, chemicals, salt, irradiation or atmospheric or environmental conditions; (vii) Usage or loading in excess of recommended capacities or in non-standard applications, including off-road.
- Fading or discoloration of paint, lettering or decals.
- Effects of aftermarket installation and aftermarket parts installed by the dealer or customer.

Extended Brake System Warranty

NAVISTAR, INC.
CUSTOM SERVICE CONTRACT FOR
MERITOR WABCO HYDRAULIC
POWER BRAKE (HPB) COMPONENTS
120 MONTHS OR 150,000 MILES
CONTRACT NO. 218816

Included in quotes
A+B

WARRANTY COVERAGE

This Custom Warranty Coverage is extended for 120 months or 150,000 miles from vehicle delivery date, whichever expiration occurs first. During this period selected, Navistar, Inc., will repair or replace any of the following components which proven defective in material and/or workmanship in normal use after the Meritor WABCO standard warranty period and with proper proof of hydraulic brake fluid changes * with new or ReNEWed parts. Exceptions are listed herein under *What is Not Covered*.

BRAKES:

Hydraulic Brake System Components: Hydraulic Power Brake Unit, ECM, Hydraulic Pumps.

Note: This custom service contract is transferable.

OBTAINING SERVICE

To obtain service under this Service Contract, return this vehicle to any Navistar Truck Dealer authorized to service this model vehicle and engine.

DEALER: Claim submittal requires STEPS 1 through 3

1. Refer to IKNOW #IK0400046 for Wabco Full Power Hydraulic Brake Diagnostic Code (DTC) Index as well as a link to Wabco Full Power Brake Manual.
2. Supporting documents of Meritor-Wabco brake fluid replacement per bulletin TP-1367 (03-2014) {BULLETIN: Meritor recommends replacing brake fluid every TWO (2) years on all models with HPB}
3. An active case file with Meritor WABCO Ontrac (1-800-535-5560) prior to repair, strictly for repair diagnostic instructions.

WHAT IS NOT COVERED

Components / Items:

- Correction of loose fasteners, squeaks, rattles and unusual noises.
- Adjustments (e.g., headlights, brake/clutch adjustments, exciter ring, steering system adjustments, coolant levels).
- Items warranted by their respective manufacturers (e.g., non-Navistar brand engines, tires & tubes, Allison Transmissions, clutch, batteries, radios, lubricants, etc).
- Any part that is not a Navistar part number.
- Unauthorized parts other than Navistar service parts or ReNEWed® parts.
- Bodies, equipment and accessories installed by other than authorized Navistar employees at Navistar manufacturing plants.
- Front and rear axle alignment.
- Engine, Engine Electronics, Injectors, Turbocharger.
- Hybrid Electric Components (except Hybrid/Electric Drive Cooling).

Repairs:

- Maintenance-related items/ repairs or those as a result of normal wear and tear, including tune-ups, brake/clutch lining, windshield wiper blades, gaskets, belts, seals, tire balancing, lubrication, batteries and other similar procedures/parts required to keep vehicle in good working condition.
- But not limited to: oil changes, oil filters, air filters, desiccant cartridge, fuel filters, tire rotation, cleaning/polishing, engine tune-up, adding oils, tightening of air intake and coolant clamps, ash tray, cigarette lighter element, fire extinguishers, fluorescent ballast and tubes, fuses, gladhand and gladhand rubbers, trailer hoses, hose tenders, trailer electrical cables, mattress, mud flaps, mud flap mounting bracket.
- Repairs to any part of the vehicle subjected to misuse, negligence, improper maintenance*, improper operation, or which is the result of an accident.
- Fades, runs, mismatch or damage to paint, trim items, upholstery, chrome, polished surfaces, etc., resulting from environmental causes, improper polishes, cleaners or washing solutions, or chemical and industrial fallout.
- No coverage will be granted if Power Train, Propshaft and Suspension sales guidelines (specifications) are not strictly adhered to by all owners and operators of this vehicle.
- Accidents, acts of nature or other events beyond control of Navistar.
- Any single repair requiring less than \$40.00 parts and labor to complete.

Other:

- Vehicles sold and/or operated outside the United States or Canada.
- Vehicles/components which have had unauthorized alterations or modifications.
- Vehicles on which the odometer reading has been altered.

- Incidental or consequential costs or expenses which the owner may incur as a result of a malfunction or failure covered by this warranty, such as vehicle damage, communication expenses, meals, lodging, overtime, loss of use of engine or vehicle ("downtime"), loss of time, inconvenience, cargo loss or damage, and other similar costs and expenses.
- Replacement of defective parts, which were, not authorized Navistar equipment when first installed.
- Towing, unless additionally purchased.

NOTE TO THE SERVICING LOCATION: Should there be questions regarding this coverage, call the Warranty Claims Center for clarification. For this purpose, the following phone number is provided to be used weekdays during normal working hours in the 48 contiguous states, Alaska, Hawaii and Canada, call 800-336-4500.

DISCLAIMER:

NO WARRANTIES ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED AND IS THE SOLE AND EXCLUSIVE WARRANTY MADE BY THE COMPANY HEREUNDER. THE COMPANY SPECIFICALLY DISCLAIMS ALL IMPLIED AND EXPRESS WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. THE COMPANY FURTHER EXCLUDES LIABILITY FOR INCIDENTAL, SPECIAL, INDIRECT, PUNITIVE AND CONSEQUENTIAL DAMAGES, ON THE PART OF THE COMPANY OR SELLER. No person is authorized to give any other warranties or to assume any liabilities on the company's behalf unless made or assumed in writing by the Company; and no other person is authorized to give any warranties or to assume any liabilities on the seller's behalf unless made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.
Navistar, Inc., except in Canada where it is Navistar Canada, Inc.

Optional Extended Warranty

NAVISTAR

OPTIONAL SERVICE CONTRACTS USED BUS PROGRAM

EXTENDED VEHICLE COVERAGE INCLUDING BUS BODY

The extended vehicle coverage option provides coverage to your vehicle for time or distance traveled from new vehicle delivery date, whichever expiration occurs first. During the period selected, Navistar, Inc., will repair or replace any of the covered components as defined below which proven defective in material and/or workmanship in normal use, with new or ReNEWed parts. Exceptions are listed herein under *What is Not Covered*.

Frame and Bumper

Frames: Cross member, engine cross member, frame side rail, reinforcement or gussets

Front Axle

Front Axle: Steering arm, front axle I-beam, king pin and bushings, steering knuckle

Suspension

Front Axle Suspension: torque arm & busing assembly, air bag assembly, control (air suspension only), shock absorber mounting bracket, center bolt, spring leaf assembly, spring bracket assembly, rear suspension cross member, sway bar assembly, axle stop

Single Rear Axle Air Suspension: torque arm & bushing assembly, air bag assembly, control (air suspension only), shock absorber mounting bracket, center bolt, spring leaf assembly, spring bracket assembly, pins & bushing shackles, rear suspension cross member, sway bar assembly, axle stop

Single Rear Axle Spring Suspension: torque arm & bushing assembly, shock absorber mounting bracket, center bolt, spring leaf assembly, spring bracket assembly, pins & bushing shackles, rear suspension cross member, sway bar assembly

Brakes

Hydraulic Brakes: master cylinder, reservoir, fluid level switch, parking brake lever/pedal, parking brake cable/linkage, wheel brake actuating linkage/cam/camshaft, brake linkage/pedal/spring, power assist unit, electronic ECU control unit, relay/magnetic switch, wheel sender, caliper, flow switch, monitor module, drive line brake assembly, cab harness, foot control or pedal valve, hand control valve, front end harness (wires/connectors/term), PDM distribution harness

Hydraulic Full Power Brake: pumps, accumulators, hydraulic power brake (HPB) unit, solenoid valve, self-actuating hydraulic release cylinder, master cylinder, reservoir, parking brake lever/pedal, brake linkage/pedal/spring, power assist unit, electronic (ECU) control unit, relay/magnetic switch, wheel sender, caliper, caliper bracket, flow switch, pressure differential switch, monitor module, spring brake control valve, drive line brake assembly, cab harness, foot control or pedal valve, hand control valve, front end harness (wires/connectors/term), PDM distribution harness, relay valve, wiring

Bus Air Brake System: Air or vacuum tank, knob, accumulators, solenoid valve, slack adjuster, automatic adjuster assembly, brake chamber bracket, chamber, chamber diaphragm, air governor and mounting, wheel brake actuating linkage/cam/camshaft, linkage/pedal/spring brake actuating, backing plate/anchor/dust shield, unloader valve air dryer end cover, steering angle sensor, stability control sender, electronic control unit (ECU), modulator valve, wheel sender, monitor module, spring brake control valve, cab harness, foot control or pedal valve, hand control valve, front wheel limiting & mounting valve, quick release valve, pulley, relay valve

Steering

Steering System: pitman arm, drag link, steering column assembly & mounting, tilt steering wheel mechanism, steering shaft couplings/u-joint, steering wheel, steering gear assembly, power steering pump mounting gasket, telescoping steering wheel mechanism, steering gear bracket/mounting, cylinder assembly & valves, oil cooler assembly, pump assembly, reservoir assembly, control valve, pulley

OPTIONAL SERVICE CONTRACTS USED BUS PROGRAM

Prop Shaft

Transmission to Rear Axle: universal joint, slip joint boot/clamp, shaft, yoke/spline

Center Bearing Assembly: bearing, bearing mounting

Exhaust

Muffler: basic assembly, mounting bracket/support, guard/heat shield

Pipes: mounting bracket/support, stack cap, guard/heat shield, tail pipe/stack, exhaust pipe and flange, crossover pipe, flex pipe, exhaust gas cooler tail pipe.

Electrical

Generating System: Alternator Assembly

Instruments Electrically Operated: multiplex signal module (MSM), voltmeter gauge, fuel level gauge, oil pressure gauge (electrical), coolant temperature gauge (electrical), ammeter gauge, engine oil temperature gauge, rear axle oil temperature gauge, speedometer gauge (electrical), tachometer gauge (electrical), transmission oil temperature gauge, fuel level sender, tachometer/trip recorder (electrically driven), pyrometer sender, rear axle oil temperature sender, transmission oil temperature sender, bezel/cover plate, circuit board, speedometer/tachometer dip switch (reprogramming only), ammeter module, speedometer/tachometer circuit housing, air pressure sender, hour meter, odometer, programming, cab (wires connectors & terminals) harness, PDM distribution harness

Body Electrical System Controller Components: ESC controller, programming

Cranking System: starter motor, key/ignition switch, cab (wires connectors & terminals) harness, PDM distribution harness

Battery Run Down Protection: clean power cable (battery to cab), clean power cable (battery to transmission), clean power cable (battery to engine)

Lighting Systems

Headlights: dimmer switch, interior light switch (panel mounted), knob, mounting, daytime running light switch, relay/magnetic switch, switch pack actuator, switch pack (base), cab (wires connectors & terminals) harness, front end (wires, connectors and terminals) harness, PDM distribution harness

Turn Signal/Hazard Switch and Flasher: mounting, relay/magnetic switch, interior light switch (panel mounted), switch pack actuator, switch pack (base), cab (wires, connectors & terminals) harness, front end harness (wires, connectors & terminals), PDM distribution harness

Tail/License/Rear Stop/Rear Turn/Backup Lights: : mounting, back-up alarm, relay/magnetic switch, back-up light switch, stoplight (air) switch, stoplight (hydraulic) switch, turn signal switch, switch pack actuator, switch pack (base), cab (wires connectors & terminals) harness, front end (wires connectors & terminals) harness, PDM distribution harness

Instrument Panel Illumination Lamps: mounting, relay/magnetic switch, stoplight (air) switch, interior light switch (panel mounted), headlight switch, turn signal switch, switch pack actuator, switch pack (base), cab (wires connectors & terminals) harness, front end (wires connectors & terminals) harness, PDM distribution harness

Turn Lights (Front and Hood Side): mounting, relay/magnetic switch, switch pack actuator, switch pack (base), cab (wires connectors & terminals) harness, front end (wires connectors & terminals) harness, PDM distribution harness

Interior Lights: headlight switch, switch pack actuator, switch pack (base), cab (wires, connectors & terminals) harness

Marker/Parking Lights: mounting, headlight switch, turn signal switch, switch pack actuator, switch pack (base), cab (wires, connectors & terminals) harness, front end (wires, connectors & terminals) harness, PDM distribution harness

OPTIONAL SERVICE CONTRACTS USED BUS PROGRAM

Fog/Driving Lights: mounting, relay/magnetic switch, stoplight (hydraulic) switch, switch pack actuator, switch pack (base), cab (wires, connectors & terminals) harness, front end (wires, connectors & terminals) harness, PDM distribution harness

Warning Lights and Signals: coolant probe module, coolant level probe, hydraulic brake warning beeper, high water temperature/low oil pressure alarm, low air pressure beeper, relay/magnetic switch, low oil pressure switch, high water temperature switch, low air pressure switch, low coolant level switch, parking brake switch, cab (wires, connectors & terminals) harness, PDM distribution harness

Horn (Electric): coiled ribbon harness (clock spring), mounting, horn contact ring/button, relay magnetic switch, cab (wires, connectors & terminals) harness, front end (wires, connectors & terminals) harness, PDM distribution harness

Steering Wheel Switches: cruise on/off switch, cruise set/rest switch

Miscellaneous (Electrical): electronic compass

Cooling

Radiators: core, radiator tank & neck, shroud clamp, shroud mounting bracket, engine mounted shroud, radiator mounting, shroud, sight glass, surge tank & mounting, coolant recovery bottle and hose, in tank oil cooler

Shutters: shutter assembly, actuating cylinder assembly, control rod assembly, shutter stat, solenoid, relay/magnetic switch, temperature switch, cab (wires, connectors & terminals) harness, PDM distribution harness

Charge Air Cooler: charge air cooler pipe, chassis mounted charge air cooler

Hydraulically Driven Cooling Fan: solenoid valves, motor, pump assembly, fan blade assembly, electronic fan controller, hydraulic fluid reservoir, oil cooler (oil-to-air)

Instruments

Oil Pressure Gauge: head assembly

Temperature gauge: head assembly

Air Pressure Gauge: head assembly

Air Restriction Gauge: head assembly

Engine

Fans: fan blade assembly, viscous fan drive, on/off fan drive, fan clutch control, fan pulley, relay/magnetic switch, temperature switch,

Engine Mounting: front mount/bolt, rear mount/bolt

Accessory Drive Systems: air compressor mounting bracket, alternator mounting bracket, refrigerant compressor mounting bracket, power steering pump mounting bracket

Transmission

Basic Components: companion flange, bell housing, bearing retainer

Lubrication System: oil cooler (oil-to-air), oil cooler line

Electronic Controls: resistor block, cab harness, PDM distribution harness, brake switch, on/off switch.

Controls: remote shift control linkage/cable

Mounting: mounting

Cover Assembly: detent poppet ball and spring

Rear Axle

Driving Rear Axle: companion flange/yoke, carrier, axle housing, internal (axle carrier) bearings, differential bushings and cross gears, limited slip differential, ring gear bolt, helical gears, planetary gears, ring & pinion gears, helical drive gear shaft, sliding clutch, air shift control, air shift cylinder, shift fork, air shift motor, power divider bearing/retainer, oil pump, power divider differential case, power divider gears/bushing and cross

Fuel System

Air Inlet System: air inlet cap/scoop, air inlet water separator box, air inlet pipe, air inlet temperature control system, stack mounting bracket, air intake grill, air restriction indicator

Air Cleaner: mounting bracket & bolts

OPTIONAL SERVICE CONTRACTS USED BUS PROGRAM

Diesel Fuel Tanks: filler neck/cap and gasket, chassis skirt, mounting bracket and bolts, tank body, fuel outlet tube, air vent, crash guard

Chassis Mounted Fuel/Water Separator: water in fuel sensor, pre-heater element, drain valve, check valve, cab harness (wires/connectors/term), vent cap, primer pump, collar, body

Cab

Front End Sheet Metal: air intake baffle / water separation baffle

Front Fiberglass: hood stop, hood cable, grille assembly, hood handle, hood/engine access door hatch hinge, hood guides, hood, sound shield, engine compartment insulation, hood latch, air intake baffle / water separation baffle, splash panel, fastener/rivet, weld, hood trim, front hood mounting hinge/bracket, hood reinforcement, hood assist torsion bar, engine access door latch

Cab Platform Structure: instrument panel

SCR After treatment

DEF Tank: DEF tank sensor assembly (includes level, temp, and quality sensors), filler tank cap, tank heater, DEF tank bracket/strap, diesel exhaust fluid tank, tank pickup, heated line wiring, head unit wiring

DEF Pump: supply module cover, supply module pump bracket, supply module wiring

After treatment Control Module: ACM bracket, ACM wiring

DEF Lines/Hoses: pump to tank supply/suction hose, pump to tank return hose, pump to doser/injector hose

Coolant Lines/Hoses: tee to doser hose, doser to tee hose, coolant flow valve DEF tank

DEF Controls/Sensors: (sensor) wiring, PDM module

Accessories

Air Horns: horn assembly, control valve, pneumatic solenoid, air horns switch, fitting, cab (wires, connectors & terminals) harness

Windshield Wiper: wiper linkage

Cruise Control Electronic Engines: coiled ribbon (clock spring) harness, vehicle personality (VPM) module, switch, clutch switch, set-resume switch, cab (wires, connectors & terminals) harness

IC Bus, LLC Body-Related Components

Air Conditioner: A/C electrical control panel, accumulator/dryer, switch, compressor clutch, A/C compressor/rotary, condenser, fan condenser, air conditioner ducting, evaporator, A/C fitting/pipe, expansion valve, high side schrader valve, low side schrader valve, refrigerant pressure sensor, high pressure switch, low pressure switch, radiator fan/shutter override switch, thermostatic switch, inlet thermistor, outlet thermistor, drain tube, orifice tube, water valve (internal to the dash mounted A/C / heat unit), motor, blower wheel

Body Frame: front bumper, rear bumper, bows, front cowl, rear frame, entrance door header, drip rails, seat rails, bow spacers, steps, entrance door frame, driver's seat sub-frame (k frame), side emergency door frame, rear emergency door frame, lift door frame, body to cab floor frame, body to cab roof frame, davenport frame

Body-Inside: light bars, header bumpers, inside caps, insulation, lower lining, overhead lining, luggage racks, grab rails, shoulder rails, standee rails, noise reduction

Body-Outside: license plate bracket, outside caps, post caps, engine door, fuel door, windshield wiper door, engine service doors, front fiberglass panel, front sheet metal, grille, access handles, rear inside window panels, rub rails, snow rails, roof panels (topping), side sheets, rear outside skins, roof hatch, skirts, transition panel / cowl filler panel

Compartment: battery compartment, destination sign compartment, electrical access compartment, luggage compartment, safety compartment, spare tire compartment, tool compartment

Doors: buzzer boxes, air controls, electric controls, manual controls, hold back devices, emergency rear doors, emergency side doors, entrance doors, lift – single/double doors, door handles, hinges, door locks, vandallocks

Electrical: electrical panel, fuse panel, horns, switches, harness (wires, connectors, and terminals), body options external harness (engine), dash harness, flasher plate harness, flasher to cowl harness, front cap harness, front end

OPTIONAL SERVICE CONTRACTS USED BUS PROGRAM

harness, left hand body harness, LH switch panel harness, overhead switch panel harness, power distribution harness (on flasher plate), rear cap harness, RH switch panel harness, right hand body harness

Floor: floor panels, floor sills, tie down (bolts, plates, J-bolt, and U-Bolt), wheel-pocket assembly, wheel-pocket cover, cove moulding

Floor Covering: step treads

Frame (glass not covered): driver's window, kick-out window, split sash window, split storm window

Heaters: control cable, core (heater), hose covers/trim, defroster duct, driver's heater, defroster fan, under seat heater, heater motors, booster heaters pump, rear heater, stepwell heater

Lifts: modesty panels, lap restraints, stanchions

Lights: back up light assy., directional light assy., headlight assy., license plate light assy., marker light assy., stop light assy., stop/tail light assy., instrument cluster light assy., directional side light assy., fog light assy., red light assy., strobe light assy., warning light assy., interior lift door light assy., exterior lift door light assy., step light assy.

Mirrors: cross view mirror, cowl mount mirror, fender mount mirror/rear view, heated mirror, inside rear view mirror, spy mirror

Safety Equipment: child check mate, destination signs, wig-wag, backing alarms

Seats: crash barrier frame, flip seat frame, passenger seat frame, courtesy shields

Stop Arms: stop arm, crossing gates, stop arm motor, stop arm motor module

Vents: static vent

Windshield Wipers: drive motor, washer

WHAT IS NOT COVERED:

Components / Items:

- Correction of loose fasteners, squeaks, rattles and unusual noises
- Adjustments (e.g., headlights, brake/clutch adjustments, steering system adjustments, coolant levels)
- Items warranted by their respective manufacturers (e.g., tires & tubes, Allison Transmissions, Agility Fuel System, clutch, batteries, radios, lubricants, etc)
- Any part that is not a Navistar or Cummins part number
- Unauthorized parts other than Navistar service parts or ReNEWed® parts
- Bodies, equipment and accessories installed by other than authorized Navistar employees at Navistar manufacturing plants
- Front and rear axle alignment
- Engine, Engine Electronics, Injectors, Turbocharger

Repairs:

- Maintenance-related items/ repairs or those as a result of normal wear and tear, including tune-ups, brake/clutch lining, clutch brake, windshield wiper blades, windshield wiper nozzles, gaskets, belts, seals, tire balancing, lubrication, batteries and other similar procedures/parts required to keep vehicle in good working condition. These services include, but are not limited to: oil changes, oil filters, air filters, fuel filters, desiccant cartridge, cleaning/polishing, engine tune-up, adding oils, tightening of air intake and coolant clamps, tire rotation ash tray, cigarette lighter element, fire extinguishers, fluorescent ballast and tubes, fuses
- Repairs to any part of the vehicle subjected to misuse, negligence, improper maintenance, improper operation, or which is the result of an accident
- Fades, runs, mismatch or damage to paint, trim items, upholstery, chrome, polished surfaces, etc., resulting from environmental causes, improper polishes, cleaners or washing solutions, or chemical and industrial fallout
- No coverage will be granted if Power Train, Prop shaft and Suspension sales guidelines (specifications) are not strictly adhered to by all owners and operators of this vehicle

OPTIONAL SERVICE CONTRACTS USED BUS PROGRAM

- Accidents, acts of nature or other events beyond control of Navistar
- Any single repair requiring less than \$40.00 parts and labor to complete
- Paint, rust, corrosion, cosmetic issues, bright work
- Failure to maintain correct maintenance schedule
- Failures or damage resulting from abuse or neglect as determined by Navistar, which includes, but is not limited to: operation without adequate coolants or lubricants; over speeding; lack of maintenance of lubricating, cooling or intake systems; improper storage, starting, warm-up, run-in or shutdown practices

Other:

- Vehicles sold and/or operated outside the United States and Canada.
- Vehicles/components which have had unauthorized alterations or modifications.
- Vehicles on which the odometer reading has been altered.
- Incidental, special, indirect or consequential costs or expenses which the owner may incur as a result of a malfunction or failure covered by this warranty, such as vehicle damage, communication expenses, meals, lodging, overtime, loss of use of engine or vehicle ("downtime"), loss of time, inconvenience, cargo loss or damage, and other similar costs and expenses
- Replacement of defective parts, which were, not authorized Navistar or Cummins equipment when first installed
- Towing, unless additionally purchased

OBTAINING SERVICE

To obtain service under this Service Contract, return this vehicle to any IC Bus Dealer authorized to service this model vehicle and engine. To locate your nearest authorized dealer, please call 1-800-44-TRUCK.

DISCLAIMER

NO WARRANTIES ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. THE COMPANY SPECIFICALLY DISCLAIMS WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. THE COMPANY FURTHER EXCLUDES LIABILITY FOR INCIDENTAL AND CONSEQUENTIAL DAMAGES, ON THE PART OF THE COMPANY OR SELLER. No person is authorized to give any other warranties or to assume any liabilities on the company's behalf unless made or assumed in writing by the Company; and no other person is authorized to give any warranties or to assume any liabilities on the seller's behalf unless made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.

(11-available) 2016 INTERNATIONAL CE 77-PASSENGER

Chassis Specifications

- **Chassis:** International
- **Engine:** Cummins 6.7L
- **Trans:** A2500
- **Mileage:** 30-40,000 range
- **200 amp:** 200 amp
- **Tires:** 11R22.5
- **Fuel Tank:** 100-gallon
- **DEF Tank:** 12-gallon
- **Brakes:** Air
- **Steering:** tilt
- **Accessories:** tow hooks, Bendix air dryer w/heater, cruise control, block heater, mud flaps. LED light package

Body Specifications

- **Model:** CE
- **Capacity:** 77-Passenger
- **Head room:** 78"
- **Push-out windows:** 4
- **Roof Hatches:** 2
- **Entrance Door:** Electric
- **Rearview mirrors:** Heated
- **Radio:** AM/FM/CD
- **Accessories:** 5/8" plywood floor, full acoustic headliner,

These buses will include:

Completely serviced: lube, oil and filters • All DOT requirements met • Washed and detailed, wheels and bumper painted • All power accessories and mechanical parts in normal working order • No rips or tears in upholstery • Bus will meet state specifications • Lettering to customer's specifications

Unit Price \$69,175.00

Subject: Three(3) Year-Full Maintenance Lease, based on 10,000 miles per year/bus with .60cents per mile penalty over 10,000 miles

Leased Vehicle Description/ Unit :

2016 YEAR, I/C MAKE CE MODEL 77 SIZE; PRICE \$ 13,865.00/yearly, \$41,595.00/total paid

Conventional BODY TYPE: Yellow COLOR: TBD VIN #: Air Brakes 6.7 Cummins : Engine 30-40 : Mileage Range

FEATURES: 200 amp alternator, 11R22.5 tires, 100 gallon fuel tank, 12 gallon DEF tank, Tilt steering, tow hooks, Bendix air dryer w/heater, Cruise control, Block heater, Mud flaps. LED light package, 78" headroom, 4 push out windows, 2 roof hatches, Electric door, Heated mirrors, AM/FM/CD radio, 5/8" plywood floor, Full acoustic headliner.

Lease Purpose: School Routes

Terms and Conditions:

Full Maintenance Lease: American Bus Sales (ABS) full maintenance lease program is set up on a Three (3) year term. The Customer will pay \$13,865.00 a year for use of the vehicle. (The first payment due prior to or upon delivery of the vehicle) Customer may request a third party deliver the vehicle to Customer at Customer's expense. ABS is not responsible for delivery to Lessee. At the end of the lease term the Customer will return said vehicle back to ABS' facility as defined in this quote as: 12802 N. 103rd East Avenue, Collinsville, Oklahoma, between the hours 9:30 am to 3:30 pm, Monday - Friday.

Maintenance/Warranty:

ABS will cover all maintenance costs not provided for by warranty. The full maintenance lease includes the replacement of wearable items including but not limited to, tires, brakes, fluids, filters (checked and/or changed), etc.

Annual Inspection:

ABS will provide an annual inspection/maintenance program per leased unit at the facility in Collinsville, Oklahoma or another approved facility by ABS.

Customer will be responsible for the following conditions and items:

- A Purchase Order or deposit is the first step required from Customer in order to prepare vehicle.
- Customer is required to bring any and all vehicle to/from the designated places of warranty, repairs, recalls and/or inspections.
- Fuel cost and driver's fees must be covered by the Customer for transporting vehicle to and from locations of warranty, repairs, recalls and/or inspections. Vehicle must be returned with the same amount of fuel at time of pick up in order to avoid additional costs.
- Driver: Only licensed CDL drivers with passenger endorsement are allowed to drive vehicle. A copy of the CDL license will be required for ABS files. Customer shall be responsible for any act or omission of each of the licensed individuals driving leased vehicle.
- Insurance: **\$1,000,000 per accident.** Customer will be required to maintain full replacement value on vehicle. A Certificate of Insurance naming ABS as an Additional Insured and listing the type of vehicle with VIN# and the obligatory amount of (\$67,900.00) insurance is required prior to taking possession of vehicle.
- Vehicle Damage: Upon the return of vehicle should there be any damage (deemed up and above normal wear and tear), costs shall be the responsibility of Customer. A post Bill of Lading will be required at the time vehicle is returned.
- Customer will enter into ABS' full Lease Agreement prior to taking possession of vehicle.

North Boone CUSD 200
6248 North Boone School Rd
Popular Grove, Illinois 61065

Dear: Melissa E. Geyman, M.S. Ed

Thank you for the opportunity to help you with your transportation needs. Central States Bus Sales, Inc. is the authorized distributor for Blue Bird Body Company in Missouri, Arkansas, Illinois, Tennessee and Kentucky and we have the facilities and experience to support all of the products we sell. Blue Bird School Buses are unsurpassed in Quality, Durability, and Built-In Safety Features.

In accordance with your request, I have prepared three (3) proposals. Our proposal is on 2020 Blue Bird Vision 77 passenger conventional school buses for Purchase, two (2) year lease and three (3) year lease. These units have a Cummins ISB diesel engine. These units are equipped to meet or exceed all state and federal specifications and include the equipment that you requested.

2020 Blue Bird Diesel 77 Pass Conventional Bus:
Rate: 5.20

Purchase Price: \$85,880.00 each
2 Year Lease: \$16,070.89 each
3 Year Lease: \$14,544.73 each

Note: Please see attached equipment list. I have highlighted some items that are a higher cost to have but your current buses that you have received has those options.

Lease prices include full warranty for lease term. If you'd like to add warranty on the purchase price please see below.

Extended Warranty:

2 year: \$450.00
3 year: \$890.00
5 year: \$2,585.00

Trades: Based on age, mileage, rust and wear.

31: \$1,250.00
39: \$1,500.00
40: \$1,500.00
41: \$1,500.00
44: \$2,500.00
46: \$2,500.00

49: \$3,250.00

50: \$3,250.00

51: \$3,250.00

52: \$3,250.00

If you have any questions or require additional information, please feel free to contact me by phone at 800-376-1644 or by e-mail at kenm@centralstatesbus.com. Thanks again, and I hope to be hearing from you soon.

Sincerely,

Ken Muehlfelder
Regional Sales Manager
