ATTACHMENT X-C: Transportation Fees for 2021-2022

Suggested Motion: Informational

Recommended Action: Informational

District 200 provides free bus transportation for students who live more than 1.5 miles from their designated attendance center or within an approved state-designated hazard area. No stops will be made less than one-half mile from the school.

In the past parents have had the choice to pay for bus service on an annual basis for students not eligible for free bus service. Paid transportation is based on availability and is a first-come first served basis.

Poplar Grove Routes:

Currently Raven's Crest, Burling Woods and Sherman Oak subdivision do not meet the requirement for transportation and families have been given the opportunity to pay for transportation if desired. There are currently about 105 students that live in that area that attend Poplar Grove Elementary that do not qualify for free transportation.

Impact on Reimbursement:

For the students that are not eligible and are paid riders you document the payment and prorate the expenditures and depreciation when completing the claim.
