

ATTACHMENT X-C: NIA Services and Fees Plan

Suggested Motion: Approve the NIA Services and Fees Plan as presented

Recommended Action: Approve the motion

**RELATED INFORMATION:**

Attached is the FY15 Northwestern Illinois Association (NIA) Services & Fees Summary. NIA has provided services to North Boone CUSD 200 in the past for services such as hearing, vision, occupational therapy, and physical therapy through the Boone County Special Education Cooperative. In previous years, these were approved by the BCSEC Board instead of by the North Boone Board of Education.

In previous years, payment for these services were paid as a pass through to the Cooperative. For the 2014-2015 school year, North Boone will contract hearing itinerant, orientation and mobility, occupational therapy, and physical therapy services from NIA. NIA will provide supervision and technical assistance for hearing, occupational therapy, physical therapy and speech/language pathology. North Boone will provide its own vision itinerant services saving the district \$33,975.00 by having Mrs. Geyman provide those services. That will impact her scope of administrative responsibilities, however.
