ATTACHMENT NO. X-C: Beverage Contract

Potential motion: Approve to go out to bid on beverage contract

Recommended action: Approve the motion

North Boone CUSD 200 has been in a contract with Great Lakes Coca-Cola Distribution since October 1, 2015. This is a 5-year contract that will expire in October of 2021. The beverage contract covers all of the schools and provides vending machines in the staff workrooms and in the HS cafeteria. Each school is set up differently on how they receive the beverage and the commission received which can range between 5% to 25% depending on the beverage.

It is recommended to begin to collect bids on a new beverage contract.
