

ATTACHMENT NO. X-D

ATTACHMENT NO. X-D: Approval of Middle School Wrestling Competitions and Transportation

Potential motion: Approve outside competitions and transportation for the North Boone MS Wrestling Club

Recommended action: Approve the motion

Due to increased interest, the Middle School is asking the Board to approve outside scheduled wrestling meets, along with District transportation for the remainder of the 2019-2020 school year.

Middle School wrestling began this year as a club, and due to the number of students interested in participating and opportunities for competitions, we are asking the Board for approval to compete, including transportation to the meets.
