ATTACHMENT NO. X-D: Registration Fees 2016-2017

Suggested motion: Move to approve the Registration Fees for 2016-2017

Recommended action: Approve the motion

It is recommended that the Board approve the 2016-2017 student fees with no increase from the 2015-2016 fees.

The fee structure now eliminates the late fee. Families that register during the early registration period (grades K-6 – May 1–25; grades 7-12 – June 2 & 8; new students – August 3, 2016) will receive a \$25.00 discount per child. After early registration, families will pay at the regular Board approved fee rate.
