North Boone CUSD 200 is currently getting diesel and gasoline from PetroChoice. We average around 30,000 gallons of diesel a year and around 4,000 gallons of gasoline. It is being recommended that we go out to bid for fuel for a two-year period starting August 1, 2022 to August 1, 2024. Bid opening would be on May 12th at 1pm.

Bids will be reviewed and brought to the Board of Education in May and for final approval in June.
