ATTACHMENT NO. X-E: Health Insurance Renewal

Potential motion: Move to approve the renewal of Blue Cross Blue

Shield (Health), Dearborn National (Life), Delta Dental (Dental) and Delta Vision (Vision) as

provided by Arthur J. Gallagher & Co.

Recommended action: Approve the motion

It is recommended that the Board approve the renewal of the Health/Life/Dental/Vision Insurance as proposed and provided by Arthur J. Gallagher & Co.

The health care renewal proposal has a 7.2% increase in premiums. The overall three year average of increase is 1.1%. The renewal has a \$2,500 deductible and will continue to offer a health reimbursement account to offset the difference in the deductible.

Delta offers our dental insurance and has proposed a 3% increase with a two-year rate lock.

Delta has kept our vision insurance as a flat renewal.

Our life insurance quote also remained flat for the upcoming year.

The insurance committee includes certified staff, support staff, administration and broker representatives. The committee met and discussed the renewals of BCBS, Delta Dental and Dearborn Life. The committee decided to recommend to move forward with the renewal rates attached.

While AJG does not guarantee the financial viability of any health/dental insurance carrier or market, it is an area we recommend that clients closely scrutinize when selecting a health insurance carrier or HMO. There are a number of rating agencies that can be referred to including, AM. Best, Fitch, Moody's, Standard & Poor's, and Weiss Ratings (TheStreet.com). Generally, agencies that provide ratings of U.S. Health insurers, including traditional insurance companies and other managed care (e.g. HMO) organizations, reflect their opinion based on a comprehensive quantitative evaluation of a company's financial strength, operating performance and market profile. However, these ratings are not a warranty of an insurer's current or future ability to meet its contractual obligations.
