

ATTACHMENT NO. X-G: Middle School Gym Floor

Potential motion: Move to approve having the Middle School gym floor repainted and refinished.

Recommended action: Approve the motion.

We are asking the Board to approve having the Middle School gym floor sanded, repainted and refinished over the summer break. The lines on the floor have become cloudy over a period of time. As the floor gets sealed each year to protect it, the lines have become harder to see for sporting events and gym class. We are asking to have the Board approve to have the floor redone by Stalker Sports Floors for \$21,900. The work would be done over the summer break.
