

ATTACHMENT NO. X-J: Motor Vehicle Fuel and Related Products Bid FY12-01A

Potential motion: Move to approve bids on the Fuel and Related Products Bid FY12-01a as presented.

Recommended action: Approve the motion

Motor Vehicle Fuel and Related Products Bid FY12-01A was opened on September 7, 2011 at 9:30 a.m. Seven (7) bid packages were distributed to interested parties. Four (4) responses were received, three (3) for fuel and one (1) for related products only.

Based upon the analysis of the amount of fuel purchased during FY2011 and the price per gallon above the OPIS Rockford pricing, it is recommended that Petroliance be approved for the Motor Vehicle Fuel as a single fuel provider. Petroliance is the current vendor and the price per gallon above OPIS remains the same from the prior year.

The following is the recommendation for the Related Items:

Kelly Williamson	–	Motor Oil -- \$7.15/gal.
		Transmission Fluid -- \$6.74/gal.
		Antifreeze, Product #2 (Mobil Permazone) \$247.25/drum
		Windshield Washer -- \$1.37/gal.
		Grease (Chassis) -- \$909.13/drum
Petroliance	–	Antifreeze, Product #1 (Medl. ELC) \$430.10/drum

It is recommended that the Board approve the motion to accept the items as presented.

FY12-01A Motor Vehicle Fuel & Related Items - Recap Sheet

Opened: September 7, 2011 -- 9:30 a.m.

Attendees: Cathy Nelson, Mary Walraven
