ATTACHMENT NO. X-B: Farmland Rental Agreements

Potential motion: Move to establish the rental rates for two district farmland properties

Recommended action: Approve the motion

It is recommended that the Board continue the rental agreements established for the lease of the Central Campus Farmland (55 acres) and the Poplar Grove Road Farmland (25 acres). Both properties have been maintained by local families for several years with positive partnerships with the district. Last year rates were \$150 per acre for both rentals. It is recommended that rates be established for the 2012/2013 fiscal year.

We could also bid out the properties as another option.
