                                    3. Middle School Creative Programming Course
                                    4. Middle School Multimedia Technology Course
                                    5. Middle School Digital Communications Course
                                    6. Middle School 3 D Art Course
                                    7. Middle School Drawing and Painting Course
                                    8. Middle School Digital Media Course

Recommended Action: Approve as presented

The Curriculum, Instruction, Assessment Committee met on Thursday, April 10, 2014 to review
and discuss several new and revised course proposals for the Upper Elementary and the Middle
School. Each of the proposed courses is attached for the Board's review.

After discussion of the merits and need for each proposed course, it was determined by the
Committee to recommend the following courses be implemented for the 2014-2015 school year:

        5th Grade Computer Course
        6th Grade Computer Applications Course
        Middle School Creative Programming Course
        Middle School Multimedia Technology Course
        Middle School Digital Communications Course
        Middle School 3 D Art Course
        Middle School Drawing and Painting Course
        Middle School Digital Media Course
