

ATTACHMENT NO. XI-B:	Long Term Substitutes
Suggested Motion:	Move to approve four long-term subs from April 5 th to June 4 th .
Recommended Action:	Approve the motion

On April 5th we will be bringing back more students to in-person instruction. Our staff have now been vaccinated, the positivity rate currently is very low and the opportunity to grow our in-person instruction is needed for all of our students. I am proposing that the Board approve 4 long term substitute teachers. These teachers will begin April 5th and work until the end of the school year June 4th. They will teach the students in grades Kindergarten through Fourth that have opted to remain remote for the remainder of the school year. This keep the majority of our students with their homeroom teacher and minimizes students switching mid-year. These teachers will be paid on the long-term substitute schedule at \$125 per day. The total cost for one teacher is \$5500.

Cost for Four Teachers: \$22,000

What Will It Look Like: The following details are the in-person format for each of our grade levels.
