ATTACHMENT XI-B:

Approval of 2012-2013 Student Fee Schedule

Suggested Motion:

Move to approve the 2012-2013 Student Fee Schedule

Recommended Action:

Approve as presented.

The student fee increases have been suggested to align the district fees with those of the surrounding districts. A minimal amount of fees have been increased, and the only new fee is a Technology Fee to cover our on-going technology expenses. Of the 209 individuals who responded to the recent survey, 118 (56.5%) people suggested this fee. The other fees are essentially as recommended by the Administrative Team.

The Technology Fee would be encompassed with the registration forms as a subordinate part of the general registration fee at each level.
