Goal

To increase in person learning for students across the district based upon student needs while following the guidance and metrics of the IDPH.

- Our teachers have provided synchronous and asynchronous instruction to all students during this time.
- Our next step is to bring targeted groups of students back to school, using a hybrid model.
- We have developed a plan that brings students back in four phases.

Background

- Consideration of IDPH metrics and ISBE recommendations
- Input from multiple stakeholders

Estimated Dates

- Target start date of October 5th, if we meet IDPH metrics.
- If unable to start on any target date, we will start on the first day of the week following once the metrics have been met.
- We will not move to a new phase if we are not meeting metrics.

Tentative Timeline

October 5th: Phase 1		
	October 26th: Phase 2	
		November 16th: Phase 3
		January 19th: Phase 4

*All start dates are tentative and are dependant on IDPH health metrics.
