

ATTACHMENT NO. XI-C: Resolution to Sell Surplus Items

Suggested Motion: Move to approve the Resolution that the items presented or listed are surplus property and may be sold to the public at the Administrator's discretion.

Recommended Action: Approve the motion.

Below are approximate numbers of surplus items. This type of sale provides the community an opportunity to purchase unneeded items at great prices, and should generate more revenue than if we sold to a recycler or spent the time and effort selling on the internet (shipping and bank/ebay fees). Proceeds for IT items will go towards purchasing new and maintaining current technology items. Proceeds from athletic items will go to the athletic activity fund.

IT

Tablets: 65 (Some come in cases, some come in bags)

Projectors: 10

Monitors: 28

Touch monitors: 3

270 M.2. ssd HD from laptops purchased last summer

It was less expensive to purchase the laptop with the smaller hard drive and purchase larger hard drives separately than to purchase laptop with the larger hard drive we needed.

Athletics

Basketball
