

ATTACHMENT NO. XI-D: Retention of Board Special Education Attorney

Suggested Motion: Move to approve the Retention of our Current Board Special Education Attorney

Recommended Action: Approve the motion.

Kathryn Vander Broek, our current Board Special Education Attorney, has left Hinshaw and joined the law firm of Franczek Radelet. The billing for partners was at \$250 per hour, and with the new firm, the hourly rate will be \$275 for partners and a range of \$245-260 for Associates. The relationship and expectations will remain the same. It is recommended the Board continue the relationship with Kathryn Vander Broek as Board Special Education Attorney.
