ATTACHMENT NO. XI-D: Stipend Committee

Potential motion: Motion to approve the elimination of the high and middle school athletic director stipends

Recommended action: Approve the motion

If the Board passes the Athletic Director for grades 5th through 12th, there will no longer be a need to continue to have the athletic director stipends at the middle school and high school. Therefore, the recommendation from the stipend committee is to eliminate these two stipends for the 2022-23 school year.
