

ATTACHMENT NO. XI-E

ATTACHMENT NO. XI-E: New Course Proposal

Potential motion: Move to Approve the New Course Proposals and Curriculum Guide

Recommended action: Approve the motion.

The new course proposals include three new courses at the high school that are included in the curriculum guide. The new courses are Transitional Math, Introduction to Engineering, and Honors Spanish 2. Transitional Math fulfills a state requirement, while Intro to Engineering and Honors Spanish 2 will serve as opportunities that reflect student interest. Mr. Hubert and Mrs. Neri will provide an overview of the changes to the curriculum guide and changes made to the new course proposal form.

COURSE PROPOSAL - NORTH BOONE CUSD 200

Proposed Course Name:

Old Course Name (if applicable):

Submitted By:

Implementation Date:

Length of Course:

Open to which grade levels:

Prerequisites:

Pass/Fail Option:

Credit:

If the course meets a graduation requirement, which one does meet?

Where does this course fit into department sequence?

What is the potential impact of this course on the other department offerings?

Course Description:

Special Notes (i.e., extended periods, team teaching, etc.):

RATIONALE, OBJECTIVES, STRATEGIES

1. Course Rationale

A) What is the evidence of student need for this course? What student data shows that students are interested in this course?

B) What departmental needs/goals would this course meet?

Submit the Completed form to the Building Principal who will forward to the Superintendent

COURSE PROPOSAL - NORTH BOONE CUSD 200

C) What institutional needs/goals would this course meet?

2. Course Priority Standards: List 5-6 standards that will be the focus of the curriculum. These standards are priorities because they meet the following criteria:

- Have leverage across content areas
- Have endurance
- Are assessed
- Show readiness for the next grade level course

3. List the main topics to be taught.

4. What types of student assessment procedures will be used? How will the assessment be used to guide instruction?

5. List resources needed and approximate costs to implement this course. Include staff development, materials, textbooks, additional staff, equipment, technology resources, facilities, and fees.

Include any additional information pertinent to your course.

Submit the Completed form to the Building Principal who will forward to the Superintendent
