

ATTACHMENT XI-I

ATTACHMENT XI-I:	Applications for Recognition of Schools 2012-2013
Suggested Motion:	Move to approve the Applications for Recognition of Schools 2012-2013.
Recommended Action:	Approve as presented.

Although customarily the Applications for Recognition of Schools are required to be submitted to the Regional Office of Education by September 30th of each year, due to an unanticipated delay in availability of this year's Application for Recognition of Schools on ISBE, the customary deadlines for submission of this year's report has deferred to October 30, 2012. However, immediately upon their availability, we have prepared this year's Applications for Recognition of Schools 2012-2013 for each school and attach them for approval by the Board of Education.

In accordance with Administrative Rules (Section 35.20), included is the portion of the Application wherein first-year principal, Jacob Hubert, is required to be reported to the State Superintendent of Education. Mr. Hubert will be required to participate in the Illinois New Principal Mentoring Program established in July 2007.

New this year, school districts are also asked about teacher and principal evaluations. This portion of the Application has also been completed and attached for Board approval.

The regional superintendent will submit the approved applications to the Illinois State Board of Education by November 15, 2012.

Public Act 94-1039 established the Illinois New Principal Mentoring Program beginning July 1, 2007, and subject to an annual appropriation by the General Assembly. Administrative Rules (Section 35.20) require that each district superintendent shall report to the State Superintendent of Education, the number of first-year principals who are expected to be working in the district in the coming school year and required to participate in the mentoring program and the number of second-year principals for whom a second year of mentoring is being requested.

You are now able to report that information on this system. It is imperative that you provide the data requested so that the State Superintendent may make a determination if the New Principal Mentoring Program is sufficiently funded to serve all participants.
