ATTACHMENT XIV-B: Approval of 2013-2014 Lunch and *À La Carte* Prices

Suggested Motion: Move to approve the 2013-2014 Lunch and *À La Carte* Prices

Recommended Action: Approve as presented.

Several price increases have been made to items on this price chart and other items that the district no longer sells have been removed. Also, due to low participation, budget cuts and staffing, Mrs. Burmeister has requested and received permission from the Regional Office of Education to no longer serve breakfast. The attached Lunch and *À La Carte* Prices reflects these changes.
