

## ATTACHMENT NO. XVI-D: High School Athletic Fees

Potential motion: Move to reduce the High School and Middle School Athletic fees to \$50 per student for the year with a family cap of \$250.

Recommended action: Approve the motion

Currently North Boone sports fees are high in the area and for our conference.

It is being recommended to charge each student \$50 per year for athletic fees with a family cap of \$200 at the High School and Middle School. This fee would allow every student the opportunity to play during all 3 seasons. It would also allow every High School student to attend any home game throughout the year with their student ID. We anticipate this will encourage more students to play sports and attend events.

As of March 2019, we have collected:  
 High School Athletic Fees: \$31,206.92  
 Middle School Athletic Fees: \$11,250

For 2017-2018 school year we received:  
 High School Athletic Fees: \$32,968.16  
 Middle School Athletic Fees: \$11,856.08
