In setting the routes, the pick-up and discharge points should be as safe for students as possible.* Type I (full size) buses will not enter private driveways to pick-up or discharge passengers unless the driveway is used for a turn-around or unless the issue of the bus stopping in the main thoroughfare presents a traffic related safety issue to the students on the bus or the students boarding or departing the bus at that stop.

If a student is at a location within the District, other than his or her residence, for child care purposes at the time for transportation to and/or from school, that location may be considered for purposes of determining the 1½ miles from the school attended. Unless the Superintendent or designee establishes new routes, pick-up and drop-off locations for students in day care must be along the District's regular routes. The District will not discriminate among types of locations where day care is provided, which may include the premises of licensed providers, relatives' homes, or neighbors' homes.

Transportation will be provided to the student's home or designated childcare provider only if the bus stop is in the student's home assigned attendance center area. Any further change(s) in the student's designated bus stop will require completion of another bus stop change request form. The Parent/Guardian is limited to one day care provider change per semester. The District reserves the right to deny transportation for an individual if the Superintendent and the Transportation Coordinator deem that such a change would not be in the best interest of the District.
