### **Equal Employment Opportunity and Minority Recruitment**

The School District shall provide equal employment opportunities to all persons regardless of their race, color, religion, creed, national origin, sex, sexual orientation, age, ancestry, marital status, arrest record, military status, order of protection status, unfavorable military discharge, citizenship status provided the individual is authorized to work in the United States, use of lawful products while not at work, being a victim of domestic or sexual violence, genetic information, physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation, *pregnancy, childbirth or other medical conditions*, credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position, or other legally protected categories.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator listed below. No employee or applicant will be discriminated or retaliated against because he or she initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or Stat or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.
