However, the District may gather or keep records in an employee's personnel file concerning activities occurring on the District's premises or during the employee's working hours that: (1) interfere with the performance of the employee's duties or activities, or those of other employees, regardless of when and where occurring, (2) constitute criminal conduct or may reasonably be expected to harm the District's property, operations or educational process, or programs, or (3) could, by the employee's actions, cause the District financial liability. *820 ILCS 40/9.*

Records identifying an employee as the subject of an investigation by the Department of Children and Family Services shall not be kept if such investigation resulted in an unfounded report as specified in the Abused and Neglected Child Reporting Act.

Access to Employee Records and Correction Requests

An employee is granted access to his or her personnel records according to provisions in the Personnel Record Review Act, 820 ILCS 40/0.01 et seq., and any relevant provisions in an applicable collective bargaining agreement. ~~According to~~ *Except for the documents described in Sec. 10 of the Review Act*, an employee is granted access to his or her personnel records at least 2 times in a calendar year at reasonable intervals. Unless otherwise indicated in an applicable bargaining agreement, access to the employee's personnel records will be according to the following guidelines:

1. The employee must submit a written inspection request to the Superintendent or the Superintendent's designee.
2. The Superintendent or designee will provide the employee the opportunity for inspection with 7 working days after the request. If such deadline cannot reasonably be met, the District will have an additional 7 days to comply.
3. The employee will inspect the personnel record at the District's administrative office during normal working hours or at another time mutually convenient to the employee and the Superintendent or designee.
4. Inspection of personnel records will be conducted under the supervision of an administrative staff member.
5. Neither an employee nor his or her designated representative will have access to records that are treated as exceptions in the Illinois Personnel Record Review Act discussed below.

6. The employee may copy material maintained in his or her personnel record. Payment for record copying will be based on the District's actual costs of duplication.
7. The employee may not remove any part of his or her personnel records from his or her file or may not remove any part of his or her personnel records from the District's administrative office.
8. Should the employee demonstrate his or her inability to inspect his or her personnel records in person, the District will mail a copy of the specific record(s) upon written request.
9. Should the employee be involved in a current grievance against the District or involved in any other contemplated proceedings against the District, the employee may designate in writing a representative who has the authority to inspect the personnel records under the same rights as the employee.
10. If the employee disagrees with any information contained in the personnel record, a removal or correction of that information may be mutually agreed upon by the District and employee. If agreement cannot be reached, the employee may submit a written statement explaining his or her position. The District will attach the employee's statement to the disputed portion of the personnel record and the statement will be included whenever that disputed record is released to a third party as long as the disputed record is part of the employee's personnel file. Inclusion of any written statement attached to the disputed record in an employee's personnel file without any further comment or action by the District will not imply or create any presumption that the District agrees with the statement's contents.

#### Requests by Third Parties

~~Before the District divulges disciplinary reports, letters of reprimand, or records of other disciplinary action to a third party, to a party who is a part of the employer's organization, or to a party who is a part of a labor organization representing the employee, the District will provide the employee with a written notice. The written notice to the employee will be mailed to the employee's last known address and will be mailed on or before the day the information is divulged to any of the aforementioned parties.~~

~~No such written notice will be required if the employee has specifically waived written notice as part of a written, signed employment application with another employer; the disclosure is ordered to a party in a legal action or arbitration; or information is requested by a government agency as a result of a claim or complaint by an employee, or as a result of a criminal investigation by such agency.~~

~~Before releasing personnel records to a third party or allowing them to be copied, the District will review the requested records and, delete disciplinary reports, letters of reprimand or other records of disciplinary action that are more than 4 years old, unless the release is ordered to a party in a legal action or arbitration.~~

*The Board Attorney shall be consulted whenever a subpoena or court order requests personnel record information. Any other request for personnel information by a third party will be treated as a FOIA request and immediately forwarded to the School District's Freedom of Information Officer (see 2:250-API, Access to and Copying of District Public Records). Concerning a request for a disciplinary report, letter of reprimand, or other disciplinary action:*

1. *If the responsive record is more than 4 years old, access will be denied unless the release is ordered in a legal action or arbitration. 5 ILCS 140/7.5(q); 820 ILCS 40/8.*

2. *If the responsive record is 4 years old or less, access will be granted. The District will provide the employee with written notice or through electronic mail, if available, on or before the day any such record is released, unless notice is not required under the Personnel Record Review Act. 5ILCS 140/7.5(q); 820 ILCS 40/7, amended by P.A. 96-1212.*
3. *The employee will not be informed if the employee has specifically waived written notice as part of a written, signed employment application with another employer; the disclosure is ordered to a party in a legal action or arbitration; or information is requested by a government agency as a result of a claim or complaint by an employee, or as a result of a criminal investigation by such agency.*

*A FOIA request for a performance evaluation will be denied. Required by 820 ILCS 40/11, amended by P.A. 96-1483.*

*Before replying to a request from a third party, the District will review the requested records and delete or redact material that is protected from disclosure. Required by 820 ILCS 40/8.*

#### Restriction on Employee Access

Section 10 of the Illinois Personnel Record Review Act provides that the right of the employee or the employee's designated representative to inspect his or her personnel records does not extend to:

1. Letters of reference for that employee.
2. Any portion of a test document, except that the employee may see a cumulative total test score for either a section of or the entire test document.
3. Materials relating to the employer's staff planning, such as matters relating to the District's development, expansion, closing or operational goals, where the materials relate to or affect more than one employee, provided, however, that this exception does not apply if such materials are, have been or are intended to be used by the employer in determining an individual employee's qualifications for employment, promotion, transfer, or additional compensation, or in determining an individual employee's discharge or discipline.
4. Information of a personal nature about a person other than the employee if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.
5. Records relevant to any other pending claim between the District and employee that may be discovered in a judicial proceeding.
6. Investigatory or security records maintained by the District to investigate criminal conduct by an employee or other activity by the employee that could reasonably be expected to harm the District's property, operations, or education process or programs, or could by the employee's activity cause the District financial liability, unless and until the District takes adverse personnel action based on information in such records.

#### Complying with Requirements in the Abused and Neglected Child Reporting Act

The Superintendent will execute the requirements in the Abused and Neglected Child Reporting Act whenever a District employee makes a report to DCFS involving another District employee's conduct. This includes performing the following tasks (*325 ILCS 5/4 and 820 ILCS 40/13*):

1. Disclose to any school district requesting information concerning a current or former employee's job performance or qualifications the fact that he or she was the subject of another employee's report to DCFS. Only the fact that a District employee made a report may be disclosed.

2. Inform the District employee who is or has been the subject of such report that the Superintendent will make the disclosure as described above.
3. Delete the record of such a report if DCFS informs the District that the allegation was unfounded.
