Randy Porter,

The Avaya IP Office system was designed with the unique business needs and priorities of small and mid- sized businesses in mind. IP Office is available in several editions allowing it to be customized to your specific needs. This award winning solution enables companies to share resources, provide improved customer service and keep mobile employees accessible.

Don't just take our word for it. Avaya IP Office has been awarded:

- **Frost and Sullivan Best Practice Award for Healthcare - December 2020**
- **Edison Patent Award Winner in Information Technology- November 2019**
- **TMC Unified Communications Product of the Year- July 2019**
- **Gartner Peer Insights Customers Choice Award -April 2019**
- **Gartner Peer Insights Customers Choice Award - November 2018**
- **Highest Overall Marks - 2015 Tech Connect RFP Competition**
- **TMC Labs -2013 Innovation Award for Unified Communications**
- **Internet Telephony Magazine- 2012 Unified Communications Product of the Year**
- **Internet Telephony Magazine - 2013 Unified Communications Product of the Year**
- **Frost and Sullivan - 2011 Product of the Year**
- **What to Buy for Business Magazine - 'Best Buy' in 2009**

Avaya's overall understanding of specific business needs enables them to deliver the same performance standards and easy to use capabilities that large businesses enjoy at an unmatched, cost effective price point. For businesses with multiple locations, Avaya IP Office provides a powerful set of tools to help streamline operations, centralize management, and reduce total cost of ownership for converged networks.

We'd like to take this opportunity to you show you this "all-in-one" intelligent communications solution and what it can do for your business. The included information explains in more detail how Avaya IP Office can improve the efficiency of your business and increase your return on investment. I will call you to discuss this information, however should you have any questions in the meantime, please feel free to contact me. I look forward to speaking with you soon.

Sincerely,

Chad Davies
