

ATTACHMENT NO. XI-A: Establish Public School Calendar for SY 2011-2012

Suggested Motion: Approve the calendar as presented

Recommended Action: Approve as presented.

RELATED INFORMATION:

Attached is the draft calendar I am recommending that the Board approve for the 2011-2012 School Year. There are a few significant changes from previous years. My overall goal in calendar development is to provide as many five-day instructional weeks as possible.

The changes include an earlier start to the year. This will allow the semester to be completed prior to Winter Break so NBHS final exams will be conducted in December, prior to break. This also allows for four additional instructional days prior to ISAT and PSAT testing in the school year. My understanding is that this has been under consideration for several years. The NBHS staff is extremely supportive of moving exams prior to the break and there are several strong academic arguments to do so. The majority of the K-8 staff are not in favor of the earlier start, but no academic reasons have been articulated as to why a later start should be adopted.

This calendar removes the Easter Monday day off which the district has observed for several years. President's Day is substituted for Lincoln's Birthday, which has been the district's practice. Veterans' Day and Casimir Pulaski Day will both be regular school days as allowed by our Holiday Waiver. Veteran's Day will be observed on November 23, 2011 for twelve month employees.

The calendar includes six emergency days, so the extra day can be placed on December 23, 2011. This will allow exams to be completed prior to the Winter break, even if we need to use an emergency day earlier in that week.

Parent teacher conferences will be held prior to the days articulated in the calendar as compensation for the evening conference times.
