ATTACHMENT IX-G: Group VIII Program Request – Capron Elementary

Suggested Motion: Approve the Group VIII Program Request for Capron Elementary.

Recommended Action: Approve as presented.

Mr. Matt Klett has submitted a Group VIII Program Request to conduct an ISAT Enrichment program involving all students at Capron Elementary after school three times a week for four weeks. The program will run from January 31 through February 24, 2011, and the ISAT testing takes place from February 28 to March 11, 2011.

Group VIIIProgram Request

Principal Name: Matt Klett

Date: November 29, 2010

School/Project Location: Capron Elementary School

Project Name: ISAT Enrichment

1. Briefly describe how students will benefit from this program:

We will be giving 3rd & 4th grade students additional help to prepare for ISAT's. Students will be working with staff re-teaching and enriching lesson that will be addressed on the ISAT. We will enroll all who qualify. Capron continues to make AYP and this program is a definite reason why.

2. Describe the activities of this program:

The program will target reading skills. We would like to involve all students and will not discriminate against any. This will include addressing the needs of our bilingual students and students with an IEP.

3. Give a schedule of tentative dates and times for each activity.

Specifically, we are proposing that we offer after-school help for an hour approximately three times per week for four weeks. This will provide 10.85 hours of after-school help for these students. The program will begin January 31 and conclude February 24, 2010. ISAT testing takes place between February 28 – March 11, 2010

4. Total hours of project for teacher: 10.85 hours

    Total cost of project: 3 teachers x 10.85 hours x $27.59 = $898.05
