Any additional work above and beyond this scope will be done on a time and material basis at a rate of \$110 / man hr. + material. Late payment fees will be assessed after 30 days of an invoice at 1.5% interest tabulated monthly. Any snow removal and salting needed will be done on a time and material basis. The customer is responsible for all collection costs including court and attorney fees in the enforcement of this agreement. For any valuables, The customer is responsible to protect the inside of property from any potential falling debris during construction as we don't go in to your property to do that. For more details ask your estimator. Due to material shortages resulting from the pandemic, we are not responsible to perform the work if the necessary material becomes unattainable. Under such circumstances, the customer will be refunded their deposits. If material costs surge due to volatility, the customer will be given the option to pay for the cost difference in order for us to proceed with the work.
