We propose to provide building commissioning services for the fees as shown to fully test the 55 recently installed Trane unit vents. In addition to this proposal we will require the test and balance and BAS contractors to be involved.

Commissioning Fee=\$18,000.00

#### Scope of Work

- Verification of the BAS sequence of operation
- Verification of the Test and Balance
- Verification of the freeze stat control operation of the 55 unit vents.
- Document findings for each unit.
- Provide a report of any corrective actions required.

AMSCO Engineering Inc. carries "Architects and Engineers Professional Liability Insurance Policy" in the amount of \$2,000,000.00.

Billing rates for hourly work are as follows:

Commissioning Authority	\$175.00
Commissioning Process Provider	\$135.00
Commissioning Associate	\$105.00

Thank you for the opportunity to quote the above project.

Sincerely yours
