

North Boone High School

Student Aide Proposal

Requirements for Eligibility?

Qualified students must be a junior or senior and be on track for graduation.

Qualified students must have been absent 10 or less days during the previous semester.

Qualified students must not have received an in-school suspension or an out of school suspension.

Students who go to other schools must have parent permission to leave campus and drive.

Students will earn a ½ credit each semester they are a student-aide. The grade will be pass-fail. The grade will not count toward a student's grade point average.

The classroom teacher will have the final decision regarding hosting a student-aide and who the student aide will be.

What can a student aide do?

Assist individual students or small groups of students

Hang bulletin boards
