SUPERINTENDENT'S REPORT

Dr. Greenlee stated that all of the buildings are ready to go for the start of the school year. All of the HVAC systems have been checked and punch lists are ongoing.

At the Middle School, all of the ceiling tiles and the tech equipment have been replaced that were damaged from the steam damage. There are still a few of the doors to replace and that will be completed over Thanksgiving Break. Also, the library is a work in progress but is getting there day by day.

Dr. Greenlee thanked all of the custodial staff for their work over the Summer.

New staff orientation was held yesterday, August 14th, at the District Office for all new staff, both certified and non-certified.

Today, August 15th, was an all-day staff institute day which included SEL training, Trauma training and Literacy. Tonight, all of the schools have their Open Houses.

There will not be a Strategic Plan update until September which will include MTSS, SEL and Special Education Co-teaching.

The new phones are all installed and a majority of them are working. There are still a few bugs being taken care of including the bells at the Upper Elementary, which will be addressed on Thursday, August 17th.

The Instructional Coaches, along with Kari Neri, have been invited to present at the Rising Star Workshop on December 12th in Lincolnshire.

UNFINISHED BUSINESS

A. Approval of FY24 Tentative Budget

The FY24 Tentative Budget was presented. It is still very much a work in progress as Ms. Corder continues to get the FY23 Budget finalized.

Ms. Corder started with Revenues and Expenses. For revenues, there is a difference between FY24 Tentative and FY23 Budget due to CPRT decreasing, EBF increasing, State and Federal Grants awards decreasing, State and Federal reimbursements being adjusted to reflect actuals, and a 5% increase in Property Taxes. The Grant amounts decreasing is mainly due to Title I, as the income numbers for that grant are still a few years back and the year that is currently being used is lower due to the pandemic as well as when all lunches for students were free. As a result of this, less applications were being submitted. In districts across the state, the numbers have dropped and hopefully next year they will be on the rise after the numbers associated with the pandemic are

gone. She is remaining very conservative on the revenue numbers as some accounts still need to be reviewed from last year. In regards to expenses, there is an increase from last year which includes the Curriculum adoption, new phone system and the increase in number of students that are outplaced. The number of outplaced students have increased in many districts due to the pandemic as well.

The FY24 Tentative Budget was also broken down with the removal of ESSER and the tax abatement. This does still show a difference. Ms. Corder is currently getting an accurate accounting on salaries and benefits to verify that all staff is accounted for and coded to their buildings correctly. In this first year, she will be watching spending patterns very closely and will be making plans on ways to lower these costs such as buying in bulk. Prior to the meeting in September, she will have met with the grant writing team to verify that all of the FY24 Grants are written and submitted.

Questions:

- Will it be balanced? Yes.
- In regards to Title I funds, is it because we do not have enough families filling out the applications? Yes, due to the pandemic, when everyone received free meals, applications were not filled out. It has been a slow process getting the direct certs and any free/reduced applications completed and up to date.
- In regards to the Revenues/Expenditures, we currently do not have the finalized numbers for FY23 but we will be balanced? Will we come in on budget? That is still being worked on.
- Was the additional \$400,000 for outplaced students budgeted for FY23? No.
- For the capital equipment, what does that number include? That is for items for the Tech Department that are above \$500 but less than \$2500.

A motion was made by Mrs. Maxey and seconded by Mrs. Hutchinson to approve the FY24 Tentative budget as presented with the knowledge that changes will be coming.

The motion carried by unanimous roll call.

NEW BUSINESS

A. August 2023 Bills

A motion was made by Mr. Haselhorst to approve the August 2023 bills as presented and seconded by Mrs. Maxey.

Discussion:

• There was no discussion needed.

The motion was carried by unanimous roll call.

B. 2023-2024 Substitute Rates

Dr. Greenlee stated that every year the District reviews the area sub rates to make sure that North Boone is competitive in the region. It was found that sub rates were increased by area districts. He asked the Board to approve a \$10 increase to the daily rates for a sub teacher; long term sub teacher; North Boone Retired Teacher; and North Boone Retired Teacher long term subbing. This increase will keep the District towards the top rates in the area which will help us to draw teachers to fill those vacancies. Currently, our sub fill rate is at 65% which is the highest in our region.

A motion was made by Mr. Haverly to approve the increase to the 2023-2024 sub rates as presented and was seconded by Mrs. Maxey.

Discussion:

- Mrs. Hutchinson The Business Services Committee recommends that the sub rates be increased as presented.
- Mrs. Schilling none
- Mr. Haverly none
- Mr. Haselhorst none
- Mrs. Maxey none

The motion carried by unanimous roll call.

C. Board Retreat

Mr. Mulholland stated that the Board Retreat that was scheduled for September will need to be rescheduled due to scheduling conflicts.

EXECUTIVE SESSION

A motion was made at 7:06 p.m. by Mrs. Maxey and seconded by Mr. Haselhorst to recess to Executive Session to discuss the appointment, employment, compensation, discipline, performance, or dismissal of specific employees; collective negotiating matters between the public body and its employees or their representatives; the purchase or lease of real property for the use of the public body; or other matters provided for pursuant to §2(c) of the Open Meetings Act.

The motion was carried by unanimous roll call.
