# Beginning of the Process: 2021-2022

## Fall 2021 - CEC Audit

- The MTSS audit was conducted by the CEC and included gathering data from all levels of our system.
- The results indicated the need for a district-wide MTSS Team to establish our mission and vision, to establish roles and responsibilities, and to create a system-wide approach to MTSS.

The image shows the cover of a report titled "Multi-Tiered System of Supports Needs Assessment Report". The cover has a blue and purple gradient background. The title is in white text. Below the title, it says "North Boone Community Unit School District 200 November 2021". There is a small white logo in the bottom right corner.

# Beginning of the Process: 2021-2022

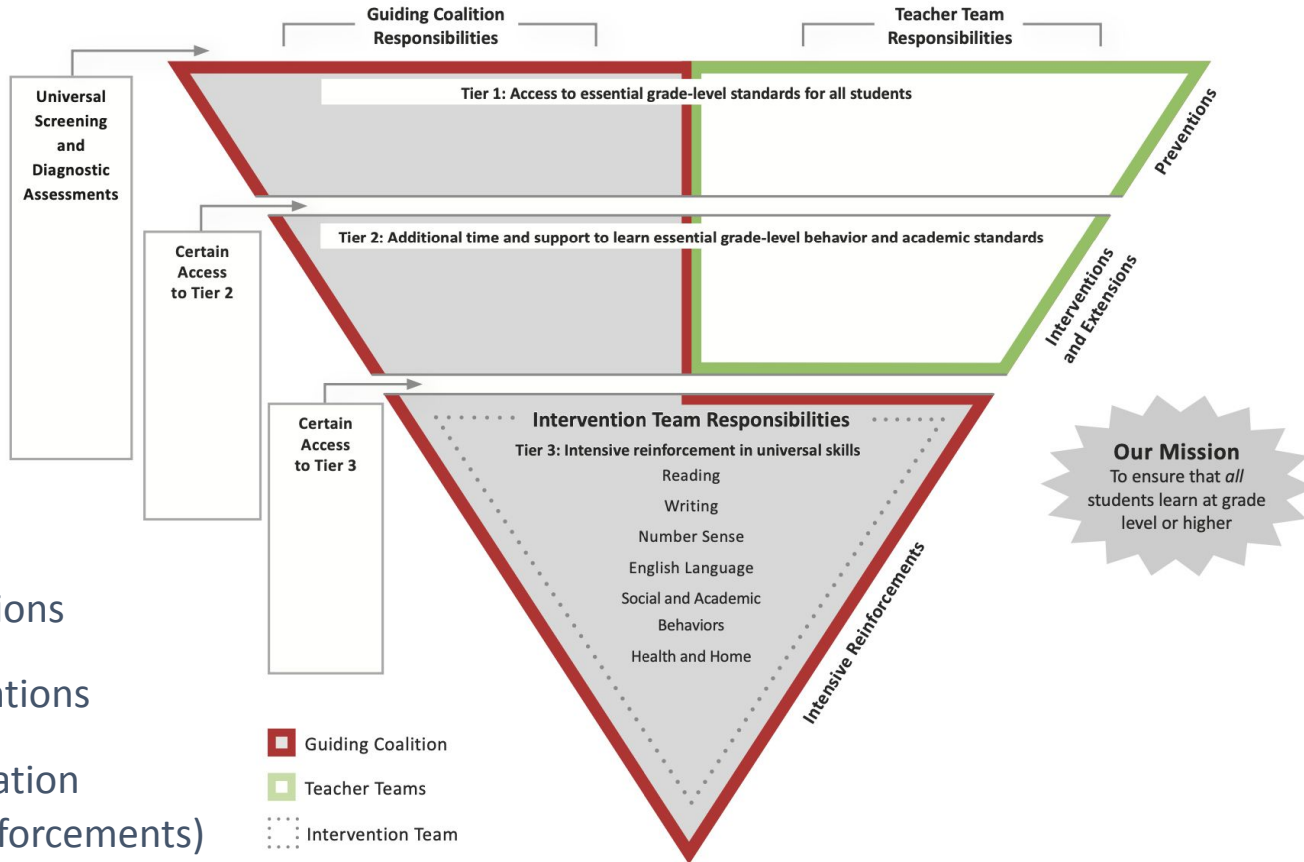

## Spring 2022 - Team Established

- We began our work, facilitated by the CEC, by establishing our team and working together to set the mission and vision for teaching and learning in our district.
- Our work is grounded in the Solution Tree Rtl model, as outlined in *Taking Action*.

**MTSS Vision**

North Boone Community Unit School District 200's  
Multi-Tiered System of Support ensures academic and  
social-emotional learning experiences that meet the  
needs of each learner to nurture student growth.

## Accomplishment 2

- The MTSS Team drafted our MTSS Guidebook, which outlines our systems and processes. This year, our focus was on defining Tiers 1, 2, and 3, and providing guidance for Tier 1 academics.

---

# 2022-2023 School Year

## Accomplishment 3

- Satchel Pulse SEL screener administered to all students for district-wide SEL data.
- Tier 1 SEL lessons selected for all grade levels.
  - One lesson delivered each month.

---

# 2023-2024 School Year

## Accomplishment 1

- Our teams added a 3rd PLC cycle to their Tier 1 instructional practices to meet our yearly goal.

## Accomplishment 2

- Our District MTSS Team expanded to include more building-level members and instructional coaches.
- Our Team's focus was on monitoring our Tier 1 progress and building Tier 2 systems for our schools.

---

# 2024-2025 School Year

## Accomplishment 1

- The MTSS Team outlined our Tier 2 expectations and created a progress monitoring form to be used in all buildings to track student data during Tier 2 interventions.
- We updated our MTSS Guidebook to include our Tier 2 expectations and forms.
- The MTSS Team created a Resource Hub with links so teachers could find resources more easily.

# 2024-2025 School Year

## Accomplishment 2

- In the Fall, we needed to pivot in order to provide more training and support so we could begin Tier 2 in all buildings.
- After winter break, all schools implemented a Tier 2 Early Adoption process with representatives from various grade levels and content areas.
  - These Early Adopters ran Tier 2 groups in their classrooms, used the progress monitoring form, and gave the MTSS Team feedback.

---

# 2025-2026 School Year

## Accomplishment 1

- All schools have designated Tier 2 intervention time and are implementing Tier 2 interventions based on unit / classroom assessments.
- Our instructional coaches are providing coaching and support on MTSS processes.

## Accomplishment 2

- The MTSS Team is responding to teacher and building feedback regarding Tier 2 implementation, and we are planning for Tier 3.

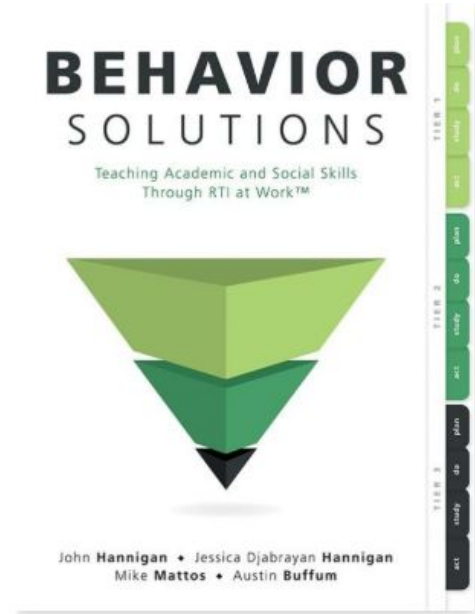

---

# 2025-2026 School Year

## Accomplishment 3

- All schools are aligning their SEL and behavior protocols to Behavior Solutions, which follows the same structure as our academic tiers.
- This year, our focus is on Tier 1 structures.
