ATTACHMENT NO. IX. A: Approval of Architectural Firm of Record

Suggested motion: Approve the appointment of R.L. Johnson/  
GMB as Architectural Firm of Record

Recommended action: Approve as presented.

In preparation for the selection of a new architectural firm, the Administration initiated the Request for Qualifications (RFQ) process in late September. Eleven firms participated in facility tours during the second week of October, and seven firms subsequently submitted qualifications. The Facilities/Long-Range Planning Committee reviewed the submissions and, using a rubric-based evaluation process, narrowed the field to three finalists. These firms were invited to conduct two-hour facility tours and participate in in-person interviews. Following this process, the Committee recommends R.L. Johnson/GMB to serve as the District's architectural firm of record.
