ATTACHMENT NO. IX. - B: 10-Year Life Safety

Suggested motion:                      Approve rescinding the Life Safety Survey conducted by  
Cashman and Stahler

Recommended action:                      Approve the Motion

At the Facilities Committee meeting on May 6<sup>th</sup>, 2025, the committee recommends not having Cashman Stahler do the Life Safety Survey this summer. Greg Stahler is aware of this change, and there are no charges for this survey that will be charged.
