

General Personnel

Staff Development Program

The Superintendent or designee shall implement a staff development program. The goal of ~~such~~the program shall be to update and improve the skills and knowledge of staff members in order to achieve and maintain a high level of job performance and satisfaction. Additionally, the development program for licensed staff members shall be designed to effectuate ~~the District and any~~ School Improvement Plans so that student learning objectives meet or exceed goals established by the District and State.

Abused and Neglected Child Reporting Act (ANCRA) and Erin's Law Training

The staff development program shall include the Abused and Neglected Child Reporting Act (ANCRA) mandated reporter training and training on the awareness and prevention of child sexual abuse and grooming behaviors (Erin's Law) as follows (see Board policies 4:165, Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors, and 5:90, Abused and Neglected Child Reporting):

1. Within three months of employment, each staff member must complete mandated reporter training from a provider or agency with expertise in recognizing and reporting child abuse. Mandated reporter training must be completed again at least every three years.
2. By January 31 of every year, all school personnel must complete evidence-informed training on preventing, reporting, and responding to child sexual abuse, grooming behaviors (including sexual misconduct as defined in Faith's Law), and boundary violations.

In-Service Training Requirements

~~The staff development program shall provide, at a minimum, at least once every two years, the in-service training of licensed school personnel and administrators on current best practices regarding the identification and treatment of attention deficit disorder and attention deficit hyperactivity disorder, the application of non-aversive behavioral interventions in the school environment, and the use of psychotropic or psychostimulant medication for school-age children.~~

~~The staff development program shall provide, at a minimum, once every two within six months of employment and renewed at least once every five years; thereafter (unless required more frequently by other State or federal law), the in-service training of all District staff ~~on educator~~ who work with pupils on:~~

1. Health conditions of students, including but not limited to training on:
 - a. Chronic health conditions of students;
 - b. Anaphylactic reactions and management, conducted by a person with expertise on anaphylactic reactions and management;
 - c. Management of asthma, prevention of asthma symptoms, and emergency response in the school setting;
 - d. The basics of seizure recognition and first aid and emergency protocols, consistent with best practice guidelines issued by the Centers for Disease Control and Prevention;
 - e. The basics of diabetes care, how to identify when a diabetic student needs immediate or emergency medical attention, and whom to contact in case of emergency;
 - f. Current best practices regarding identification and treatment of attention deficit hyperactivity disorder; and

- effective classroom management strategies, culturally responsive discipline, the appropriate and available supportive services for the promotion of student attendance and engagement, and developmentally appropriate disciplinary methods that promote positive and healthy school climates.
2. Annual continuing education and/or training opportunities (professional standards) for school nutrition program directors, managers, and staff. Each school food authority's director shall document compliance with this requirement by the end of each school year and maintain documentation for a three-year period.
 3. All high school coaching personnel, including the head and assistant coaches, and athletic directors must obtain online concussion certification by completing online concussion awareness training in accordance with 105 ILCS 25/1.15. Coaching personnel and athletic directors hired on or after 8-19-14 must be certified before their position's start date.
 4. The following individuals must complete concussion training as specified in the Youth Sports Concussion Safety Act: coaches and assistant coaches (whether volunteer or employee) of an interscholastic athletic activity; nurses, licensed and/or non-licensed healthcare professionals serving on the Concussion Oversight Team; athletic trainers; game officials of an interscholastic athletic activity; and physicians serving on the Concussion Oversight Team.
 5. For school personnel who work with hazardous or toxic materials on a regular basis, training on the safe handling and use of such materials.
 6. For delegated care aides performing services in connection with a student's seizure action plan, training in accordance with 105 ILCS 150/, the Seizure Smart School Act.
 7. For delegated care aides performing services in connection with a student's diabetes care plan, training in accordance with 105 ILCS 145/, the Care of Students with Diabetes Act.
 8. For all District staff, annual sexual harassment prevention training.
 9. Title IX requirements for training as follows (see Board policy 2:265, *Title IX Grievance Procedure*):
 - a. For all District staff, training on the definition of sexual harassment, the scope of the District's education program or activity, all relevant District policies and procedures, and the necessity to promptly forward all reports of sexual harassment to the Title IX Coordinator.
 - b. For school personnel designated as Title IX coordinators, investigators, decision-makers, or informal resolution facilitators, training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
 - c. For school personnel designated as Title IX investigators, training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
 - d. For school personnel designated as Title IX decision-makers, training on issues of relevance of questions and evidence, including when questions and evidence about a complainant's sexual predisposition or prior sexual behavior are not relevant.
 10. Training for all District employees on the prevention of discrimination and harassment based on race, color, and national origin in school as part of new employee training and at least once every two years.
 11. Training for at least one designated employee at each school about the Prioritization of Urgency of Need for Services (PUNS) database and steps required to register students for it.

The Superintendent shall develop protocols for administering youth suicide awareness and prevention education to staff consistent with Board policy 7:290, *Suicide and Depression Awareness and Prevention*.
