ATTACHMENT NO. IX-B: Scoreboard Donation

Suggested Motion: Approve the Football Scoreboard

Recommended action: Approve as presented.

The Board is recommended to approve the new scoreboard for the football field. We have been working with Solutions Bank, which has graciously agreed to donate a new scoreboard for our football field. Solutions Bank will cover the cost of the scoreboard, which is \$29,132. They are asking the District to cover the cost for shipping, removal of the old scoreboard, installation, and the Delay of Game Clocks. The total cost for the District to cover those items is \$17,132. That money would come from Capital Projects and the Cola Fund, which was set aside previously to help with athletic costs. There is a lead time of 12 weeks once the scoreboard is ordered. The plan is to have the scoreboard installed for the start of the upcoming football season. A picture of the proposed scoreboard and the breakdown of costs have been included.
