
Strategic Plan: District and Building Updates

NBCUSD 200 Board of Education • 6.18.2024

1 STUDENT ACHIEVEMENT

Provide a comprehensive, innovative education focusing on the whole child to promote life, career, and post-secondary success.

STRATEGY 1

Build and implement an aligned, comprehensive Multiple Tier System of Support (MTSS) to improve overall student achievement while reducing current achievement gaps among subgroup populations.

WHAT IT MEANS: We're developing supports that meet students where they are, and challenging and addressing their individual needs to ensure every student succeeds.

STRATEGY 2

Utilize effective teams' processes with fidelity to enhance the adult collaboration efforts to improve student outcomes.

WHAT IT MEANS: By working effectively together, we create a powerful, collaborative faculty and staff network focused on student outcomes.

STRATEGY 3

Implement and aligned, articulated curriculum and assessment system to ensure a guaranteed and viable learning experience for all students.

WHAT IT MEANS: Our curriculum will be artfully designed to teach, measure growth, and support every student through the comprehensive educational experience.

HOW WILL WE MEASURE OUR SUCCESS?

- Test scores and comparative data (Illinois Assessment of Readiness, PSAT/SAT language arts and math scores, ACCESS Scores, Social and Emotional Learning (SEL) Screener comparisons)
- Kindergarten readiness
- Career Technical Education (CTE) Pathway
- Graduation rates
- Enrollment in post-secondary education and training

2 LEARNING CONDITIONS

Ensure an inclusive culture of learning that allows each learner to define their pathway to success.

STRATEGY 1

Provide rigorous, engaging, and equitable learning experiences for all students.

WHAT IT MEANS: Our students will have equitable learning experiences that challenge, engage, and inspire them to become confident learners.

STRATEGY 2

Build confidence, self-sufficiency, and wellness in students by enhancing students' social and emotional needs.

WHAT IT MEANS: By addressing our students' social and emotional needs, we better prepare them to be successful and confident learners.

HOW WILL WE MEASURE OUR SUCCESS?

- Student attendance
- Student-to-teacher ratios
- Student behavior referrals
- SEssentials Scores (measuring social components of school culture)
- Social and Emotional Learning (SEL) Screener comparisons
- Access to Tier 1 Curriculum (core reading/math curriculum)

3 WORKFORCE

Attract, develop, and retain quality and diverse staff who are committed to creating a culture of learning that engages students in their journey toward career, college, and life readiness.

STRATEGY 1

Attract and hire quality and diverse staff.

WHAT IT MEANS: We want to provide our students with the most diverse and talented teachers in the region.

STRATEGY 2

Provide training and professional development that is appropriate and benefits the staff's specific roles.

WHAT IT MEANS: We never stop learning and growing, and we'll invest in the constant development of our faculty and staff in ways meaningful to them and our students.

STRATEGY 3

Provide a new hire orientation for all staff, specific to their roles and responsibilities.

WHAT IT MEANS: Every member of our staff is welcomed and supported through an orientation designed to ensure their success.

STRATEGY 4

Build meeting and collaboration schedules that maximize all staff collaboration and connection.

WHAT IT MEANS: Our team is strongest when we leverage our combined knowledge, skills, ideas, and capabilities with meaningful connections and collaborations.

HOW WILL WE MEASURE OUR SUCCESS?

- Teacher/staff diversity
- Teacher/staff retention
- Teacher/staff engagement
- Teacher/staff education
- Salaries, benefits, and incentives for all staff
- Professional development opportunities for all staff

4 PARTNERSHIPS

Cultivate partnerships with families and the community to support and expand social and learning opportunities for all students.

STRATEGY 1

Provide parent education sessions to increase family understanding and support for the district's efforts.

WHAT IT MEANS: Parents are our most important partners in education, so supporting their role in student success is critical.

STRATEGY 2

Increase direct marketing to increase community understanding of and financial support for the district's efforts.

WHAT IT MEANS: Communication is key to developing the relationships important to the district. We need to share the district's story, needs, challenges, and successes with our community.

STRATEGY 3

Develop partnerships with local businesses and leaders to enhance learning, career experiences, and social-emotional supports for students.

WHAT IT MEANS: Engaging our business community in the education we provide improves the student experience and better prepares them for life after graduation.

HOW WILL WE MEASURE OUR SUCCESS?

- Parent engagement
- Service-learning opportunities
- Volunteerism
- Internships
- Career education opportunities

5 FINANCE, FACILITIES, AND OPERATIONS

Align resources and infrastructure to ensure integrity and equity in resource planning and allocation.

STRATEGY 1

Work with community partners to secure additional funding.

WHAT IT MEANS: Working together, our community can help unlock access to additional resources to improve the student experience.

STRATEGY 2

Review and refine the master facilities plan to ensure the cycle of review and prioritization of facilities maintenance.

WHAT IT MEANS: Our facilities require constant attention to maintain an effective learning environment for our students. We'll manage needs and priorities to plan for required investments.

HOW WILL WE MEASURE SUCCESS?

- Annual grant funding
- Grants/other resources
- Facilities survey
- Technology survey

Overview

Topics

- Goal 1: Student Achievement
- Goal 2: Learning Conditions
- Goal 3: Workforce
- Goal 4: Partnerships
- Goal 5: Finance, Facilities, and Operations

Goal 1: Student Achievement

Strategy 1: MTSS

- District-Based MTSS Goal: Over the course of the 24-25 school year, all schools will implement Tier 2 interventions to support students in academic priority standards.
- The MTSS Team will continue to meet next year to refine Tier 2 processes and to build Tier 3 processes.

Goal 1: Student Achievement

Strategy 2: Effective Teams

- Our buildings are in the sustaining stage of effective teams.
- We will continue to support our School Leadership Teams and other building-level teams as they implement school improvement plans and district goals, such as MTSS.

Goal 1: Student Achievement

Strategy 3: Curriculum & Assessment System

- Starting in the 24-25 school year, all teams will input their priority standard assessment data to Performance Matters, which is our data warehouse.
- During the 24-25 school year, the following grade levels and subjects will go through a resource review and adoption process:
 - 5th-8th grade science
 - K-5th grade math

Goal 2: Learning Conditions

Strategy 1: Equitable Learning Experiences

- During the 23-24 school year, we completed co-teaching training and coaching for the Upper Elementary and High School. This completes the training for grades 5-12.

Goal 2: Learning Conditions

Strategy 2: Social-Emotional Wellness

- The District SEL Team completed their work during the 23-24 school year.
 - Selected an SEL screener and curriculum
 - Reviewed feedback from teachers on SEL lessons selected
- During the 24-25 school year, the administrative team will work on next steps that will be implemented at the school level.

Goal 3: Workforce

Strategy 1: Attract & Retain Staff

- Mandolen Mull - Leadership Workshops
 - Burnout
 - Navigating change
 - Difficult conversations and accountability

Strategy 2: Professional Development for specific roles

- TOSA Position
 - Uniform IEP Paperwork
 - Consistent, district-wide Special Education communication

Goal 4: Partnerships

This strategy still needs to be developed.
