

ATTACHMENT NO. IX.-E: Approve Kriha Boucek LLC as a law firm that is authorized to
Provide legal services to the Board of Education consistent with
Board Policy 2:160

Suggested Motion: I move to authorize the Superintendent to sign an agreement for
legal services with Kriha Boucek LLC to provide legal services to
the Board of Education

Recommended Action: Approving a second law firm to be on retainer allows the School
Board to leverage the unique strengths and expertise that different
firms offer, ensuring the district receives the most effective and
specialized legal support for a variety of complex matters. Kriha
Boucek LLC is widely recognized as one of the most respected law
firms in Illinois, particularly in the areas of special education law
and school law. Their deep knowledge and extensive experience in
navigating legal challenges specific to public education would be a
valuable complement to our current legal counsel, providing the
district with greater capacity, perspective, and confidence in
addressing sensitive or high-stakes issues.
