Student Feedback

PAPER

“She was one of the best tutors I have ever gotten on here, she is polite and so nice and helpful. She answers all questions and is very helpful when it comes to study for a test! So sad it had to come to an end! I feel very confident on my test tomorrow!!”

-9th Grader at North Boone HS

Session ID: 2852967

“thank you for being such a nice and helpful tutor it makes me feel better and it makes my day better to be able to get help from a person like you :) I hope you enjoy the rest of your time today and I really hope you get more happy moments every single day :)”

-11th Grader at North Boone HS

Session ID: 2724151

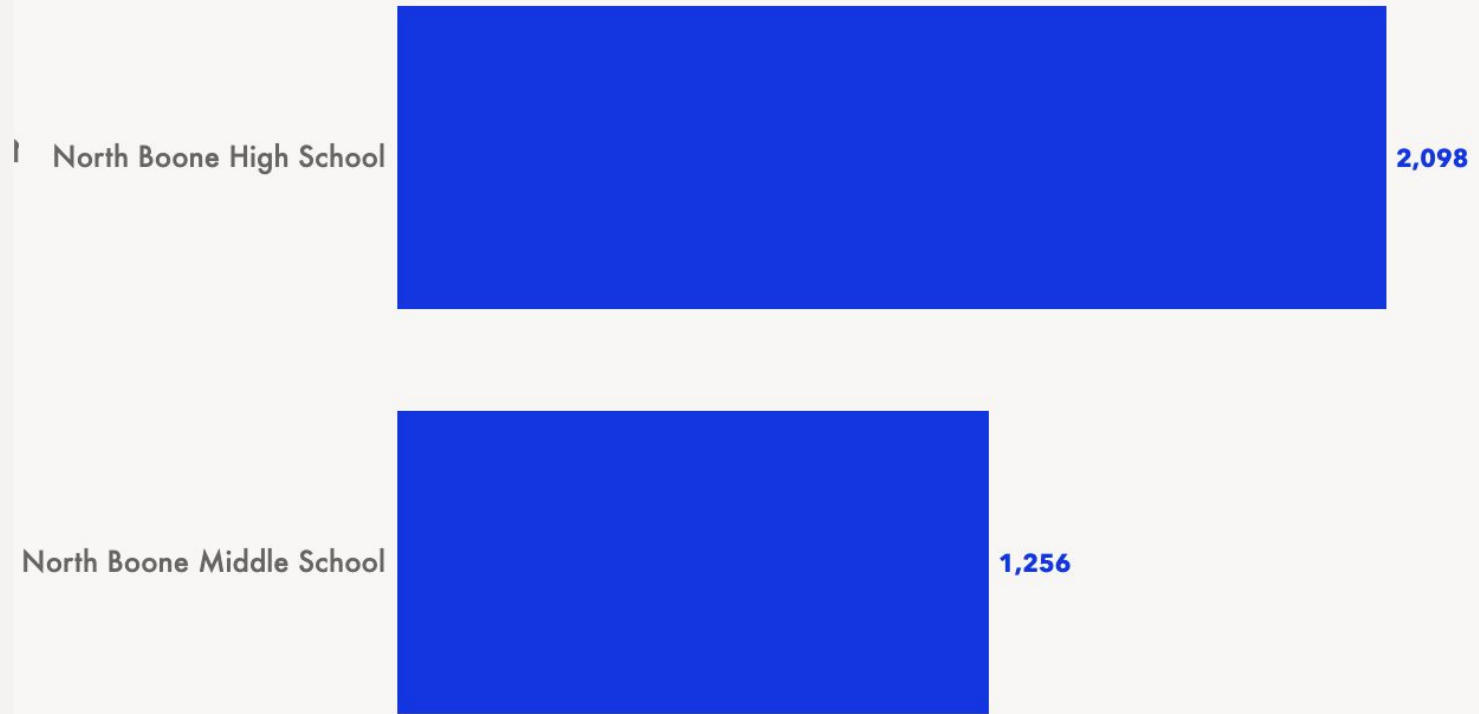

“I feel like Ms Kate really helped me in my narrative so I am really happy with what she told me and I now feel confident with my work. Thank You!”

-8th Grader at North Boone MS

Session ID: 2496487

Paper Resources

Paper's Mission

To provide equitable, personalized, and scalable academic support that serves every member of your school community.

Benefits for Students

Academic support is available during class, after-school, late-nights, weekends, holidays, anytime!

Conversations with tutors will leave them feeling confident!

Sessions are tailored to students' learning needs and last for as long as they need.

Benefits for Educators

Full transparency of student's learning.

Help nurture a stronger work life balance.

Individualized support for students in and out of the classroom.
