

Recommendation for Renewal
Kindergarten - 4th Grade Math Curriculum Resources

Rationale:

Our current math resource, *Into Math*, is up for renewal.

Recommendation:

The *Into Math* curriculum published by HMH is recommended for renewal as our Kindergarten through 4th grade math resource.

Process:

In order to arrive at this recommendation, the district engaged in the following process.

- April 2024
 - A survey was sent to all K-4 teachers asking if we should renew or go through the curriculum adoption process in 24-25 in order to select a new resource.
 - The quantitative feedback was evenly split, but the comments provided by teachers included more comments about keeping the math resource due to a recent new ELA adoption and our MTSS work with our current math resource.
 - The decision was made to keep *Into Math* for 3 more years.
- March 2025
 - A survey was sent to all K-4 teachers asking about the online platform for students and student usage.
 - Based on the feedback, online student access will not be purchased.
