

V. Farmland Agreements

It is recommended that the Board continue the rental agreements established for the rental of the Central Campus Farmland (46 acres) at the rate of \$250 per acre and the Poplar Grove Farmland (25 acres) at the rate of \$250 per acre. The rate was increased to this amount in 2023 and it is recommended that it be held at this level. The total rental income for the properties to the District is \$17,750. Both properties have been maintained by local families for several years both with positive partnerships with the District.
