

Class Substitution Request

Pursuant to Board Policy 6:310: *A student in grades 9-12 may satisfy one or more high school courses or graduation requirements by successfully completing related vocational or technical education courses if:*

- 1. The Building Principal approves the substitution(s) and the vocational or technical education course is completely described in the curriculum material along with its relationship to the required course; and*
- 2. The student's parent/guardian requests and approves the substitution(s) in writing on forms provided by the District.*
