

Minivan Purchase Update October 2025

Background: It was brought to the attention of administration that our 2008 Dodge Caravan was in emergency need of replacement due to corrosion and

Resolution: At the September 23rd NBCUSD Board meeting, the BOE made a motion, which passed, to authorize Dr. Cascio to direct Dr. Mullikin to purchase a minivan with a not to exceed cost of \$40,000 and a not to exceed mileage of 40,000 miles.

Action & Update: Multiple dealerships were called and reviewed online. During this time, discussion was had with Mr. Scott Timmerman, District Mechanic, and Ms. Vienna Aaby, Transportation Supervisor, on brand and color. Upon review, and in consultation with Dr. Cascio, Dr. Mullikin made a recommendation that we purchase a minivan from Wheels by RT, which was authorized.

Year	Make & Model	Mileage	Price
2025	Chrysler Pacifica	96	\$39,612

Wheels by RT is a regionally local used car dealership and was able to find us a van that had been used as a demo. The van carries a 3 yr/36k mile bumper-to-bumper warranty and a 5 yr/60k mile drivetrain warranty.

Used Van Asset Management: Due to the state of the 2008 Caravan, its value was low. It was traded in to Wheels for \$445.
