

**North Boone High School**  
**Athletic Equipment Annual Orders**

**Fall Sports**

Football- requires about 10 k every year. Yearly reconditioning of helmets and shoulder pads around 5 k. Football also has the most players, 55-65 so needs more equipment than a lot of other sports. Helmets have a 10 year life span on them and then must be tossed out. We replace 6-8 helmets a year and the cost of 1 helmet is now \$ 400 a piece. Replacing other equipment, sh. pads, girdles, knee pads, practice pants, etc...another 5 k for a total of 10 k per year....Every 4-5 years we replace varsity uniforms and cost is between 6-8k. Pay game workers, announcer, scoreboard operator, 4 chain gang workers, 4 ticket takers, for both Friday and Monday games. \$18 per hour (same rate for every sport)

Volleyball-I purchase 6 brand new volleyballs every year (which I do for almost all the sports). 3 scorebooks for each level. Every 4 years volleyball uniforms. Ball racks, net, standards when they need a new one. Pay game workers, announcer, bookkeeper, libero tracker, clock operator, 2 ticket takers.

Golf-purchased golf polos for both the boys and girls teams. Had to add some more a year ago because we had more boys out then we ever had before. Purchased Viking golf bags for the varsity teams. Other than that the golfers provide their own clubs and balls. We pay a \$1500 fee to use Beaver Creek GC for the season for practices and home golf matches on Wednesday and Thursday's.

CC-purchase uniforms...and a tent they share with the track team to take to meets. Provided warm ups a few years ago. Very low numbers...

Boys soccer- had a team for the first time in 4 years so had brand new uniforms we ordered for them a couple years ago so they used them. Purchase 6 new soccer balls. In need of a scoreboard. I carry a portable one out to home games and put on the sideline where the teams benches are. The spectators cannot read the board from the other sideline.

Fall Sideline Cheer- purchased 30 uniforms. Numbers went up. Have bought poms and flags for them in years past.

## **Winter Sports:**

Boys Basketball-6 basketballs every year. (\$600) Purchases uniforms every 4. Purchased warm ups a few years ago for the first time out of budget. Nets, ball racks, every 4-5 years.. 3 scorebooks for each level. Pay game workers, announcer, clock operator, bookkeeper, ticket takers, and after next year a shot clock operator as well.

Girls Basketball-same as boys basketball.

Competition Cheer-purchase uniforms every 4. Pay for choreographer every year. I believe was 3.5k. We added a JV team so this price might double next year. Purchased flags and items they use at competitions. 6 competitions a year plus sectional and state. Competitions cost between 300-500 dollars per team we enter. New cheer mats scheduled to be ordered for 2025-26 school year. Cost estimate 11-12k.

Scholastic Bowl-purchased team wind breakers for contests last year for the first time. 1k.. pay a game worker for every match....reads the questions to the contestants..

Wrestling-new wrestling mats last year. 11k. purchase uniforms every 4 years and purchased warm ups for first time a year or 2 ago.

## **Spring Sports:**

Baseball-uniforms every 4 years. (I believe they receive new ones this coming year.) we play around 36 home games between the JV and V teams. We provide 3 game balls per home game. Outdoor batting cage a few year ago. Boosters/Athletic Budget split the price 5k...

Softball-uniforms every 4 years. Same as baseball regarding game balls.

Girls soccer- same as boys soccer.

Boys Track- purchased runways last couple of years, pole vault poles, high jump landing mats cover....purchased extra uniforms because of high numbers this past year..

Girls Track- same as boys track except didn't need extra uniforms.

Bass Fishing-pay volunteer coaches each \$500 dollars for use of their boats, gas and time at practices and events with the team. Very lucky we have these 2 coaches.

## **Expensive Equipment Order:**

2024-25 we purchased new wrestling mats—11k. should be here by end of June

2025-26-plan was to purchase new cheer mats. The old ones are no longer meet the required IHSA thickness. Cost estimate 11-12 k.

2026-27-plan is to purchase 2 shot clocks in the Lindberg gym on the main floor. This will be the first year shot clocks are required for varsity basketball games by the IHSA. Cost estimate 8-20k. Nevco scoreboards require a nevco shot clock and their shot clocks will cost around 20k. We will also need to add another game worker to run these clocks so we will need to purchase a bigger scorers table to accommodate all the game workers.

**Other Purchases:**

Officials pay, game workers pay, tournament entry fees, annual dues to BNC, snap (software program we use to schedule sports), hudl (software program our teams use to load and exchange game film), 2 Home of the Viking banners past 5 years.....3.5k a piece, NB letters, pins for participation.

Stacey Corder should have the exact prices for everything we have ordered.

Let me know if you have any questions.
