## **CURRICULUM RESOURCE UPDATES**

### **9<sup>th</sup> – 12<sup>th</sup> Grade Math**

In regards to the 9<sup>th</sup> – 12<sup>th</sup> Grade Math curriculum, the Committee/Pilot Teachers did pilot *Reveal Math*, however, everything that is offered is not necessarily needed or would be utilized and it also comes with a higher price tag. The team is looking for more performance-based tasks/activities/launch of new topics. They would prefer to look for a resource that is more supplemental based versus buying an entire program. Kari Neri did state that she will be lowering the budgeted amount to around \$25,000.
