ATTACHMENT NO. VIII.-L: Approval of Addition of a 1:1 Full-Time
Paraprofessional at North Boone High School

Suggested motion: Approve the additional 1:1 full-time paraprofessional at
North Boone High School

Recommended action: Approve as presented.

It is recommended that a full-time 1:1 paraprofessional be hired for a student at North Boone High School. As stated in the Individual Education Plan (IEP), the student requires 1:1 for both general and special education settings. The student needs assistance staying on task, completing assignments (classroom and exams), logging into the Chromebook, and taking consistent, supervised breaks throughout the day.
