ATTACHMENT NO. VIII.-O: Approval of Changing from a Part-time to a Full-Time District Occupational Therapist

Suggested motion: Approve the change from a part-time to a full-time district Occupational Therapist

Recommended action: Approve as presented.

It is recommended that a full-time Occupational Therapist be hired to replace a Part-time Occupational Therapist (OT). At the district's request, Northern Illinois Association (NIA) completed a needs assessment for the district. Based on the information gathered, the number of students requiring OT services increased during the 24/25 school year. This increase has caused the need for a full-time OT to replace the district's part-time OT.
