Suggested motion:                      None

Recommended action:                      Hear the Information

On Wednesday, November 6<sup>th</sup>, 2024, Attorney Nemanich, Stacey Corder, and myself met with Curt Newport from the Boone County Treasurer's Office. At that meeting we were able to establish that our corrected aggregate base used for determining the 2024 levy will be set at \$11,206,659. This includes both the Boone and Winnebago Counties' numbers. Mr. Nemanich is currently working on the final details for the process that would need to take place for the District to return the excess revenue that was received. He will be in attendance at the meeting on Tuesday night to explain the process and the legalities that are involved to correct the error.
